\* The editors of this publication endeavored, where local firearm regulation has not been preempted by state law, to include ordinances for those major local jurisdictions that make their laws readily accessible to the public. States and many local jurisdictions now make their laws available on the Web; see, e.g., <http://www.prairienet.org/~scruffy/f.htm> (state statutes) and [http://www.spl.org/default.asp?pageID=collection\\_municodes](http://www.spl.org/default.asp?pageID=collection_municodes) (municipal codes). However, space and time constraints precluded including every local jurisdiction in this publication. Therefore, users of this publication are encouraged to consult with State and local authorities to ascertain the most current firearms laws and regulations applicable to their particular situation.
