(xi) He or she is not an alien who has been admitted to the United States under a non-immigrant visa (as that term is defined in § 101(a)(26) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(26))), or that he or she is an alien who has been lawfully admitted to the United States under a non-immigrant visa if that alien is:

No mental health care or treatment records may be requested. The information received shall be destroyed within one year of receipt.

430 ILCS 65/6 Contents of Firearm Owner's Identification Card
(a) A Firearm Owner's Identification Card, issued by the Department of State Police at such places as the Director of the Department shall specify, shall contain the applicant's name, residence, date of birth, sex, physical description, recent photograph, except as provided in subsection (c-5), and signature. Each Firearm Owner's Identification Card must have
the expiration date boldly and conspicuously displayed on the face of the card. Each Firearm Owner's Identification Card must have printed on it the following: “CAUTION -- This card does not permit bearer to UNLAWFULLY carry or use firearms.” On and after December 1, 2002, the Department shall use a person's digital photograph and signature from his or her Illinois driver's license or Illinois Identification Card, if available. (b) A person applying for a Firearm Owner's Identification Card shall consent to the Department of State Police using the applicant's digital driver's license or Illinois Identification Card photograph, if available, and signature on the applicant's Firearm Owner's Identification Card. The Secretary of State shall allow the Department of State Police access to the photograph and signature for the purpose of identifying the applicant and issuing to the applicant a Firearm Owner's Identification Card.

c-5) If a person qualifies for a photograph exemption, in lieu of a photograph, the Firearm Owner's Identification Card shall contain a copy of the card holder's fingerprints. Each Firearm Owner's Identification Card described in this subsection (c-5) must have printed on it the following: "This card is only valid for firearm purchases through a federally licensed firearms dealer when presented with photographic identification, as prescribed by 18 U.S.C. 922(t)(1)(C)."

(a) A person under 21 years of age who has been convicted of a misdemeanor other than a traffic offense or adjudged delinquent;

(b) A person under 21 years of age who does not have the written consent of his parent or guardian to acquire and possess firearms and firearm ammunition, or whose parent or guardian has revoked such written consent, or where such parent or guardian does not qualify to have a Firearm Owner's Identification Card;

1. admitted to the United States for lawful hunting or sporting purposes;

2. an official representative of a foreign government who is:
   
   (A) accredited to the United States Government or the Government's mission to an international organization having its headquarters in the United States; or
   
   (B) en route to or from another country to which that alien is accredited;

3. an official of a foreign government or distinguished foreign visitor who has been so designated by the Department of State;

(l) A person who has been convicted of domestic battery, aggravated domestic battery, or a substantially similar offense in another jurisdiction committed before, on or after January 1, 2012. If the applicant or person who has been previously issued a Firearm Owner's Identification Card under this Act knowingly and intelligently waives the right to have an offense described in this paragraph (l) tried by a jury, and by guilty plea or otherwise, results in a conviction for an offense in which a domestic relationship is not a required element of the offense but in which a determination of the applicability of 18 U.S.C. 922(g)(9) is made under § 112A-11.1 of the Code of Criminal Procedure of 1963 [725 ILCS 5/112A-11.1], an entry by the court of a judgment of conviction for that offense shall be grounds for denying an application for and for revoking and seizing a Firearm Owner's Identification Card previously issued to the person under this Act;

(n) A person who is prohibited from acquiring or possessing firearms or firearm ammunition by any Illinois State statute or by federal law;

(o) A minor subject to a petition filed under § 5-520 of the Juvenile Court Act of 1987 [705 ILCS 405/5-520] alleging that the minor is a delinquent minor for the commission of an offense that if committed by an adult would be a felony;
An adult who had been adjudicated a delinquent minor under the Juvenile Court Act of 1987 [705 ILCS 405/1-1 et seq.] for the commission of an offense that if committed by an adult would be a felony;

A person who is not a resident of the State of Illinois, except as provided in subsection (a-10) of § 4 [430 ILCS 65/4];

A person who has been adjudicated as a person with a mental disability;

A person who has been found to have a developmental disability;

A person involuntarily admitted into a mental health facility; or

A person who has had his or her Firearm Owner's Identification Card revoked or denied under subsection (e) of this Section or item (iv) of paragraph (2) of subsection (a) of § 4 of this Act because he or she was a patient in a mental health facility as provided in subsection (e) of this Section, shall not be permitted to obtain a Firearm Owner's Identification Card, after the 5-year period has lapsed, unless he or she has received a mental health evaluation by a physician, clinical psychologist, or qualified examiner as those terms are defined in the Mental Health and Developmental Disabilities Code [405 ILCS 5/1-100 et seq.], and has received a certification that he or she is not a clear and present danger to himself, herself, or others. The physician, clinical psychologist, or qualified examiner making the certification and his or her employer shall not be held criminally, civilly, or professionally liable for making or not making the certification required under this subsection, except for willful or wanton misconduct. This subsection does not apply to a person whose firearm possession rights have been restored through administrative or judicial action under § 10 or 11 of this Act [430 ILCS 65/10 or 430 ILCS 65/11].

(b) Upon adjudication of any individual as a person with a mental disability, as defined in § 1.1 of this Act [430 ILCS 65/1.1] or a finding that a person has been involuntarily admitted, the court shall direct the circuit court clerk to immediately notify the Department of State Police, Firearm Owner's Identification (FOID) department, and shall forward a copy of the court order to the Department.

The Supreme Court may adopt any orders or rules necessary to identify the persons who shall be reported to the Department of State Police under subsection (b), or any other orders or rules necessary to implement the requirements of this Act. (c) The Department of Human Services shall, in the form and manner prescribed by the Department of State Police, report all information collected under subsection (b) of § 12 of the Mental Health and Developmental Disabilities Confidentiality Act [740 ILCS 110/12] for the purpose of determining whether a person who may be or may have been a patient in a mental health facility is disqualified under State or federal law from receiving or retaining a Firearm Owner's Identification Card, or purchasing a weapon.

(c) The Department of Human Services shall, in the form and manner prescribed by the Department of State Police, report all information collected under subsection (b) of § 12 of the Mental Health and Developmental Disabilities Confidentiality Act [740 ILCS 110/12] for the purpose of determining whether a person who may be or may have been a patient in a mental health facility is disqualified under State or federal law from receiving or retaining a Firearm Owner's Identification Card, or purchasing a weapon.

(d) If a person is determined to pose a clear and present danger to himself, herself, or to others:

(1) by a physician, clinical psychologist, or qualified examiner, or is determined to have a developmental disability by a physician, clinical psychologist, or qualified examiner, whether employed by the State or privately, then the physician, clinical psychologist, or qualified examiner shall, within 24 hours of making the determination, notify the Department of Human Services that the person poses a clear and present danger or has a developmental disability; or

(2) by a law enforcement official or school administrator, then the law enforcement official or school administrator shall, within 24 hours of making the determination, notify the Department of State Police that the person poses a clear and present danger. The Department of Human Services shall immediately update its records and information relating to mental health and developmental disabilities, and if appropriate, shall notify the Department of State Police in a form and manner prescribed by the Department of State Police. The Department of State Police shall determine whether to revoke the person's Firearm Owner's Identification Card under § 8 of this Act [430 ILCS 65/8]. misconduct.

(e) The Department of State Police shall adopt rules to implement this Section.

430 ILCS 65/8.2 Firearm Owner's Identification Card denial or revocation. The Department of State Police shall deny an application or shall revoke and seize a Firearm Owner's Identification Card previously issued under this Act if the Department finds that the applicant or person to whom such card was issued is or was at the time of issuance subject to an existing order of protection.

430 ILCS 65/9 [Grounds for denial or revocation] Every person whose application for a Firearm Owner's Identification Card is denied, and every holder of such a Card whose Card is revoked or seized, shall receive a written notice from the Department of State Police stating specifically the grounds upon which his application has been denied or upon which his Identification Card has been revoked. The written notice shall include the requirements of § 9.5 of this Act [430 ILCS 65/9.5] and the person's right to administrative or judicial review under § 10 and 11 of this Act [430 ILCS 65/10 and 430 ILCS 65/11]. A copy of the written notice shall be provided to the sheriff and law enforcement agency where the person resides.

(d) A violation of subsection (a) of this Section is a Class A misdemeanor.

(e) The observation of a Firearm Owner's Identification Card in the possession of a person whose Firearm Owner's Identification Card has been revoked constitutes a sufficient basis for the arrest of that person for violation of this Section.

(f) Within 30 days after the effective date of this amendatory Act of the 98th General Assembly [P.A. 98-63], the Department of State Police shall provide written notice of the requirements of this Section to persons whose Firearm Owner's Identification Cards have been revoked, suspended, or expired and who have failed to surrender their cards to the Department.

(g) A person whose Firearm Owner's Identification Card has been revoked and who received notice under subsection (f) shall comply with the requirements of this Section within 48 hours of receiving notice.

430 ILCS 65/10 Appeal To Director; Hearing; Relief From Firearm Prohibitions

(a) Whenever an application for a Firearm Owner's Identification Card is denied, whenever the Department fails to act on an application within 30 days of its receipt, or whenever such a Card is revoked or seized as provided for in § 8 of this Act, the aggrieved party may appeal to the Director of State Police for a hearing upon such denial, revocation or seizure, unless the denial, revocation, or seizure was based upon a forcible felony, stalking, aggravated stalking, domestic battery, any violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act that is classified as a Class 2 or greater felony, any felony violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or any adjudication as a delinquent minor for the commission of an offense that if committed by an adult would be a felony, in which case the aggrieved party may petition the circuit court in writing in the county of his or her residence for a hearing upon such denial, revocation, or seizure.

(b) At least 30 days before any hearing in the circuit court, the petitioner shall serve the relevant State's Attorney with a copy of the petition. The State's Attorney may object to the petition and present evidence. At the hearing the court shall determine whether substantial justice has been done. Should the court determine that substantial justice has not been done, the court shall issue an order directing the Department of State Police to issue a Card. However, the court shall not issue the order if the petitioner is otherwise prohibited from obtaining, possessing, or using a firearm under federal law.

(c) Any person prohibited from possessing a firearm under §§ 24-1.1 or 24-3.1 of the Criminal Code of 2012 or acquiring a Firearm Owner's Identification Card under § 8 of this Act may apply to the Director of State Police or petition the circuit court in the county where the petitioner resides, whichever is applicable in accordance with subsection (a) of this Section,
requesting relief from such prohibition and the Director or court may grant such relief if it is established by the applicant to the 
court's or Director's satisfaction that:

(0.05) when in the circuit court, the State's Attorney has been served with a written copy of the petition at least 30 days 
before any such hearing in the circuit court and at the hearing the State's Attorney was afforded an opportunity to present 
evidence and object to the petition;

(A) the applicant has not been convicted of a forcible felony under the laws of this State or any other jurisdiction within 
20 years of the applicant's application for a Firearm Owner's Identification Card, or at least 20 years have passed since 
the end of any period of imprisonment imposed in relation to that conviction;

(A) the circumstances regarding a criminal conviction, where applicable, the applicant's criminal history and his 
reputation are such that the applicant will not be likely to act in a manner dangerous to public safety;

(A) granting relief would not be contrary to the public interest; and

(A) granting relief would not be contrary to federal law.

(c-5) (1) An active law enforcement officer employed by a unit of government, who is denied, revoked, or has his or her 
Firearm Owner's Identification Card seized under subsection (e) of § 8 of this Act may apply to the Director of State Police 
requesting relief if the officer did not act in a manner threatening to the officer, another person, or the public as determined 
by the treating clinical psychologist or physician, and as a result of his or her work is referred by the employer for or 
voluntarily seeks mental health evaluation or treatment by a licensed clinical psychologist, psychiatrist, or qualified 
examiner, and:

(A) the officer has not received treatment involuntarily at a mental health facility, regardless of the length of admission;

(B) the officer has not been voluntarily admitted to a mental health facility for more than 30 days and not for more than one incident 
within the past 5 years; and

(B) the officer has not left the mental institution against medical advice.

(2) The Director of State Police shall grant expedited relief to active law enforcement officers described in paragraph (1) 
of this subsection (c-5) upon a determination by the Director that the officer's possession of a firearm does not present a 
threat to themselves, others, or public safety. The Director shall act on the request for relief within 30 business days of 
receipt of:

(A) a notarized statement from the officer in the form prescribed by the Director detailing the circumstances that led to 
the hospitalization;

(B) all documentation regarding the admission, evaluation, treatment and discharge from the treating licensed clinical 
psychologist or psychiatrist of the officer;

(C) a psychological fitness for duty evaluation of the person completed after the time of discharge; and

(D) written confirmation in the form prescribed by the Director from the treating licensed clinical psychologist or 
psychiatrist that the provisions set forth in paragraph (1) of this subsection (c-5) have been met, the person successfully 
completed treatment, and their professional opinion regarding the person's ability to possess firearms.

(3) Officers eligible for the expedited relief in paragraph (2) of this subsection (c-5) have the burden of proof on eligibility 
and must provide all information required. The Director may not consider granting expedited relief until the proof and 
information is received.

(4) "Clinical psychologist", "psychiatrist", and "qualified examiner" shall have the same meaning as provided in Chapter I 
of the Mental Health and Developmental Disabilities Code.

(c-10)(1) An applicant, who is denied, revoked, or has his or her Firearm Owner's Identification Card seized under 
subsection (e) of § 8 of this Act based upon a determination of a developmental disability or an intellectual disability may 
apply to the Director of State Police requesting relief.

(2) The Director shall act on the request for relief within 60 business days of receipt of written certification, in the form 
prescribed by the Director, from a physician or clinical psychologist, or qualified examiner, that the aggrieved party's 
developmental disability or intellectual disability condition is determined by a physician, clinical psychologist, or qualified to 
be mild. If a fact-finding conference is scheduled to obtain additional information concerning the circumstances of the 
denial or revocation, the 60 business days the Director has to act shall be tolled until the completion of the fact-finding 
conference.

(3) The Director may grant relief if the aggrieved party's developmental disability or intellectual disability is mild as 
determined by a physician, clinical psychologist, or qualified examiner and it is established by the applicant to the 
Director's satisfaction that:

(A) granting relief would not be contrary to the public interest; and

(B) granting relief would not be contrary to federal law.

(4) The Director may not grant relief if the condition is determined by a physician, clinical psychologist, or qualified 
examiner to be moderate, severe, or profound.

(5) The changes made to this Section by this amendatory Act of the 99th General Assembly apply to requests for relief 
pending on or before the effective date of this amendatory Act, except that the 60-day period for the Director to act on 
requests pending before the effective date of this amendatory Act begins on the effective date of this amendatory Act.

(d) When a minor is adjudicated delinquent for an offense which if committed by an adult would be a felony, the court shall 
notify the Department of State Police.

(e) The court shall review the denial of an application or the revocation of a Firearm Owner's Identification Card of a 
person who has been adjudicated delinquent for an offense that if committed by an adult would be a felony if an
application for relief has been filed at least 10 years after the adjudication of delinquency and the court determines that the applicant should be granted relief from disability to obtain a Firearm Owner's Identification Card. If the court grants relief, the court shall notify the Department of State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(f) Any person who is subject to the disabilities of 18 U.S.C. 922(d)(4) and 922(g)(4) of the federal Gun Control Act of 1968 because of an adjudication or commitment that occurred under the laws of this State or who was determined to be subject to the provisions of subsections (e), (f), or (g) of § 8 of this Act may apply to the Department of State Police requesting relief from that prohibition. The Director shall grant the relief if it is established by a preponderance of the evidence that the person will not be likely to act in a manner dangerous to public safety and that granting relief would not be contrary to the public interest. In making this determination, the Director shall receive evidence concerning (i) the circumstances regarding the firearms disabilities from which relief is sought; (ii) the petitioner's mental health and criminal history records, if any; (iii) the petitioner's reputation, developed at a minimum through character witness statements, testimony, or other character evidence; and (iv) changes in the petitioner's condition or circumstances since the disqualifying events relevant to the relief sought. If relief is granted under this subsection or by order of a court under this Section, the Director shall as soon as practicable but in no case later than 15 business days, update, correct, modify, or remove the person's record in any database that the Department of State Police makes available to the National Instant Criminal Background Check System and notify the United States Attorney General that the basis for the record being made available no longer applies. The Department of State Police shall adopt rules for the administration of this Section.
