(2) A person convicted of obscuring the identity of a machine shall be fined not to exceed \$500 or be imprisoned in the county jail for a term not to exceed 6 months, or both.

(3) The fact of possession or transfer of any machine, vehicle, electrical device, or firearm described in subsection (1) creates a presumption that the person knew the serial number or other identification number or mark had been removed or otherwise obscured.

Chapter 8 Offenses Against Public Order
Part 3 Weapons

45-8-301 Uniformity of interpretation. Sections 45-8-302 through 45-8-305 and 45-8-307 must be interpreted and construed to effectuate their general purpose to make uniform the law of those states that enact them.

45-8-302 Definitions. In 45-8-303 through 45-8-305 and 45-8-307, the following definitions apply:

(1) "**Crime of violence**" means any of the following crimes or an attempt to commit any of the crimes: any forcible felony, robbery, burglary, and criminal trespass.

(2) "**Machine gun**" means a firearm designed to discharge more than one shot by a single function of the trigger.

(3) "**Person**" includes a firm, partnership, association, or corporation.

45-8-303 Possession or use of machine gun in connection with a crime. Possession or use of a machine gun in the perpetration or attempted perpetration of a crime of violence is hereby declared to be a crime punishable by imprisonment in the state penitentiary for a term of not less than 20 years.

45-8-304 Possession or use of machine gun for offensive purpose. Possession or use of a machine gun for offensive or aggressive purpose is hereby declared to be a crime punishable by imprisonment in the state penitentiary for a term of not less than 10 years.

45-8-305 Presumption of offensive or aggressive purpose. Possession or use of a machine gun must be presumed to be for an offensive or aggressive purpose when the machine gun is in the possession of or used by a person who has been convicted of a crime of violence in any court of record, state or federal, in the United States of America or its territories or insular possessions.

45-8-307 Exceptions. Sections 45-8-301 through 45-8-305 and this section do not prohibit or interfere with:

(1) the manufacture of machine guns for and sale of machine guns to the military forces or the peace officers of the United States or of any political subdivision of the United States or transportation required for that purpose;

(2) the possession of a machine gun for a scientific purpose or the possession of a machine gun not usable as a weapon and possessed as a curiosity, ornament, or keepsake;

(3) the possession of a machine gun for a purpose manifestly not aggressive or offensive.

45-8-313 Unlawful possession of firearm by convicted person.

(1) A person commits the offense of unlawful possession of a firearm by a convicted person if the person purposely or knowingly purchases or possesses a firearm after the person has been convicted of:

(a) a felony for which the person received an additional sentence under 46-18-221; or

(b) an offense under the law of another state or of the United States that is equivalent to an offense that when committed in Montana is subject to an additional sentence under 46-18-221.

(2) A person convicted of unlawful possession of a firearm by a convicted person shall be imprisoned in a state prison for not less than 2 years or more than 10 years.

(3) A person who has been issued a permit under 45-8-314 may not be convicted of a violation of this section.

45-8-314 Lifetime firearms supervision of certain convicted persons.

(1) For the purposes of rehabilitation and public protection, a person convicted of an offense referred to in 45-8-313 shall, as part of the sentence imposed, be sentenced to life supervision by the state for the purpose of restricting the person's right to purchase and possess firearms. Active supervision by a probation or parole officer is not required but may be imposed by the court. "Supervision" means that the person may not violate 45-8-313 and must comply with other state and federal law restrictions on the purchase and possession of firearms.

(2) (a) A person subject to subsection (1) may apply to the district court for the county in which the person resides for a permit to purchase and possess 1 or more firearms. The person shall show good cause for the possession of each firearm sought to be purchased and possessed. The grant or denial of the application does not prevent the person from making another application, except that if an application is denied, another application may not be made for the next 12 months.

(b) The application must contain the following information:

(i) the person's full name and any past or present aliases;

(ii) the person's date and place of birth;

(iii) the person's address;

(iv) the person's occupation;

(v) the make and model of each firearm sought to be purchased and possessed;

(vi) the date and place of each conviction of an offense referred to in 45-8-313, the name of the offense, the state and county in which the offense occurred, the sentence imposed, the place or places of incarceration, and the date of discharge from supervision for the last offense;

(vii) the name and business address of the person's last probation or parole officer; and

(viii) any other information considered necessary by the court.

(c) The person shall, at the time of filing the application with the court, mail a copy to the county attorney and county sheriff.

(d) The county attorney or county sheriff may file a written objection with the court. If no objection is filed, the court may grant the permit if it finds that the person has shown good cause to purchase and possess the firearm or firearms listed in the application. If an objection is filed, a hearing must be held within 60 days after the filing of the objection. If the court first finds that the person has shown good cause to purchase and possess the firearm or firearms listed in the application and that, but for the objection, the court would have granted a permit, the court shall decide whether the objection is valid and overrides the good cause showing and requires denial of the permit.

45-8-315 Definition.

The permit is valid for 4 years from the date of issuance. An applicant must be a United States citizen who is 18 years of age or older and who holds a valid Montana driver's license or other form of identification issued by the state that has a picture of the person identified. An applicant must have been a resident of the state for at least 6 months. Except as provided in subsection (2), this privilege may not be denied an applicant unless the applicant:

- (2) The sheriff may deny an applicant a permit to carry a concealed weapon if the sheriff has reasonable cause to believe that the applicant is mentally ill, mentally disordered, or mentally disabled or otherwise may be a threat to the peace and good order of the community to the extent that the applicant should not be allowed to carry a concealed weapon. At the time an application is denied, the sheriff shall, unless the applicant is the subject of an active criminal investigation, give the applicant a written statement of the reasonable cause upon which the denial is based.
- (3) An applicant for a permit under this section must, as a condition to issuance of the permit, be required by the sheriff to demonstrate familiarity with a firearm by:

(5) If the sheriff and applicant agree, the requirement in subsection (3) of demonstrating familiarity with a firearm may be satisfied by the applicant's passing, to the satisfaction of the sheriff or of any person or entity to which the sheriff delegates authority to give the test, a physical test in which the applicant demonstrates the applicant's familiarity with a firearm.

(6) A person, except a person referred to in subsection (1)(c)(ii), who has been convicted of a felony and whose rights have been restored pursuant to Article II, section 28, of the Montana constitution is entitled to issuance of a concealed weapons permit if otherwise eligible.

45-8-322 Application, renewal, permit, and fees.

(1) The application form must be readily available at the sheriff's office and must read as follows:

(2) The application must be in triplicate. The applicant must be given the original at the time the completed application is filed with the sheriff, the sheriff shall keep a copy for at least 4 years, and a copy must, within 7 days of the sheriff's receipt of the application, be mailed to the chief of police if the applicant resides in a city or town with a police force.

(3) The fee for issuance of a permit is \$50. The permit must be renewed for additional 4-year periods upon payment of a \$25 fee for each renewal and upon request for renewal made within 90 days before expiration of the permit. The permit and each renewal must be in triplicate, in a form prescribed by the department of justice, and must, at a minimum, include the name, address, physical description, signature, driver's license number, state identification card number, or tribal identification card number, and a picture of the permittee. A person in the United States armed forces satisfies the requirement of submitting a picture if the person submits pictures of the front of the person's military identification card and the person's Montana driver's license. The permit must state that federal and state laws on possession of firearms and other weapons differ and that a person who violates the federal law may be prosecuted in federal court and the Montana permit will not be a defense. The permittee must be given the original, and the sheriff shall keep a copy and send a copy to the department of justice, which shall keep a central repository record of all permits. Replacement of a lost permit must be treated as a renewal under this subsection.

(4) The sheriff shall conduct a background check of an applicant to determine whether the applicant is eligible for a permit under 45-8-321, may require an applicant to submit the applicant's fingerprints, and may charge the applicant \$5 for fingerprinting. A renewal does not require repeat fingerprinting.

(5) Permit, background, and fingerprinting fees may be retained by the sheriff and used to implement 45-8-321 through 45-8-325.

(6) A state or local government law enforcement agency or other agency or any of its officers or employees may not request a permittee to voluntarily submit information in addition to that required on an application and permit.

(7) All of the information on the application is confidential, and the sheriff shall treat the confidential information on the application as confidential criminal justice information pursuant to Title 44, chapter 5.

45-8-323 Denial of renewal – revocation of permit. A permit to carry a concealed weapon may be revoked or its renewal denied by the sheriff of the county in which the permittee resides if circumstances arise that would require the sheriff to refuse to grant the permittee an original license. A decision to deny an applicant a renewal must be made within 60 days after the filing of an application.

45-8-324 Appeal. The denial or revocation of a permit to carry a concealed weapon or refusal of a renewal is subject to appeal to the district court, which may consider and determine facts as well as law and which is not bound by any factual, legal, or other determination of the sheriff, and from that court to the Montana Supreme Court. To the extent applicable, Title 25, chapter 33, governs the appeal.

45-8-325 Permittee change of county of residence – notification to sheriffs and chief of police. A person with a permit to carry a concealed weapon who changes the person's county of residence shall within 10 days of the change inform the sheriffs of both the old and new counties of residence of the change of residence and that the person holds the permit. If the person's residence changes either from or to a city or town with a police force, the person shall also inform the chief of police in each of those cities or towns that has a police force.

45-8-326 Immunity from liability. A sheriff, employee of a sheriff's office, or county is not liable for damages in a civil action by a person or entity claiming death, personal injury, or property damage arising from alleged wrongful or improper grant of, renewal of, or failure to revoke a permit to carry a concealed weapon, except for actions that constitute willful misconduct or gross negligence.

45-8-327 carrying concealed weapon while under influence. A person commits the offense of carrying a concealed weapon while under the influence if the person purposely or knowingly carries a concealed weapon while under the influence of an intoxicating substance.
