- (4) If the transferee is a Federal firearms licensee, a responsible person of the Federal firearms licensee or such other employee of the Federal firearms licensee as authorized by a responsible person shall sign the form.

j. Remittance. If the application is subject to the \$200 making tax, please complete item 22 for applications submitted by mail. **Do not send cash.** The tax for applications submitted through eForms must be paid through pay.gov and does not require completion of item 22.

k. Photocopies, computer-generated, or downloaded versions. The form may be copied or downloaded (for example, from the ATF website (www.atf.gov)), and filled/signed electronically. If printed, the form does not have to be printed front to back.

l. Estates, trusts, and other transfers by operation of law. When a firearm is being transferred tax-exempt from an estate by bequest or interstate succession (See 27 CFR § 479.90a), or by other operation of law to a beneficiary or other authorized recipient, ATF Form 5 is used to effect the transfer; otherwise, the ATF Form 4 is used.

m. Submitting by mail or electronically. The transferor must submit two copies to the NFA Division at the address on the face of the form or using the ATF eForms system. All items are to be completed except as noted in the instructions and any attachments must be included with the submission.

n. Description of Firearm and Markings. Listing the Prior ATF Control Number will allow for the future submission of applications including this firearm through the ATF eForms system.

- (1) If there are additional makers, manufacturers, or importers; additional calibers associated with the description of the firearm; or additional barrel and/or overall lengths associated with the description of the firearm, include this information in item 4.h or on a separate sheet of paper.
- (2) If there are differences between the description of the firearm on the form in comparison to the physical description of the firearm or in the markings on the firearm, including the serial number, contact the NFA Division regarding the differences before submitting a new application.

o. State or local permit. If a state or local permit or license is required for the transferee prior to acquisition of the firearm, a copy of the permit must be included with the application. If the transferee is a trust or legal entity, when the state of residence for any responsible person requires a state or local permit or license, a copy of the permit or license must be submitted with Form 5320.23, NFA Responsible Person Questionnaire.

3. Approving application. If approved, the NFA Division will return the approved copy to the transferor for delivery with the firearm to the transferee. Since approving the application effectuates registration of the firearm to the transferee, the firearm's physical transfer should be completed immediately; however, the transferor must not transfer the firearm until the application has been approved and received. If physically transferring the firearm cannot be completed immediately, the transferor must contact the NFA Division with the specifics.

4. Withdrawing application. The transferor may withdraw an application prior to approval subsequent to a written request to the Chief, NFA Division by mail to 244 Needy Road, Martinsburg, WV 25405; initiated through eForms; or submitted electronically to NFAFAX@ATF.GOV.

5. Canceling approved application. The transferor may void an approved application only if the firearm has not been transferred. The transferor must return the approved application, with original tax stamp affixed, with a

written request by mail to the Chief, NFA Division; 244 Needy Road, Martinsburg, WV 25405; initiated through eForms; or submitted electronically to NFAFAX@ATF.GOV, citing the specific reasons for the request and that the firearm was not made.

6. **Disapproving application.** If the application is disapproved, the NFA Division will note the reason for disapproval on the application and return one copy of the ATF Form 4 to the transferor.
7. **Reasons for disapproving.** 26 U.S.C. 5812 provides that applications shall be denied if the transfer, receipt, or possession of the firearm would place the transferee in violation of law. **Violation of Law.** Applications shall be denied if the receipt or possession of the firearm would place the person receiving or possessing the firearm in violation of law. **Persons Prohibited from Receiving a Firearm.** The application will be disapproved if the transferee is a person prohibited from receiving a firearm. For information regarding persons prohibited from receiving a firearm, refer to definitions 1.m through 1.s.
8. **Refunds.** Refunds for tax payments made for canceled, disapproved, or withdrawn applications must be requested within 18 months of the original payment date for payments made through pay.gov or within three years for other payments.
9. **Status inquiries and questions.** Information relating to the NFA and other firearms and explosives laws is available at www.atf.gov. Any inquiry relating to the status of an application to make an NFA firearm or about procedures in general should be directed to the NFA Division at (304) 616-4500 or emailed to IPB@ATF.GOV. Be aware that any dissemination by ATF of information relating to the application to make and register an NFA firearm must conform with the restrictions in 26 U.S.C. 6103.
10. **Penalties.** Any person who violates or fails to comply with any of the requirements of the NFA must, upon conviction, be fined not more than \$10,000 or be imprisoned for not more than 10 years, or both. Any firearm involved in a violation of the NFA is subject to seizure and forfeiture. It is unlawful for any person to make or cause the making of a false entry on any application or record required by the NFA knowing such entry to be false.
11. **Compliance with the Gun Control Act.** Persons must also comply with all relevant portions of the GCA.
