An applicant is qualified if all of the following circumstances exist:

(a) The person is not subject to an order or disposition for which he or she has received notice and an opportunity for a hearing, and which was entered into the law enforcement information network under any of the following:

Applications for licenses under this section shall be signed by the applicant under oath upon forms provided by the director of the department of state police. Licenses to purchase, carry, possess, or transport pistols shall be executed in triplicate upon forms provided by the director of the department of state police and shall be signed by the licensing authority. The purchaser shall also sign his or her name in ink indicating the purchase or other acquisition of the pistol from the seller. The seller may retain a copy of the license as a record of the transaction. The purchaser shall receive 2 copies of the license. The seller shall return 1 copy of the license to the licensing authority within 10 days after the date the pistol is purchased or acquired. The return of the copy to the licensing authority may be made in person or may be made by first-class mail or certified mail sent within the 10-day period to the proper address of the licensing authority. A purchaser who fails to comply with the requirements of this subsection is responsible for a state civil infraction and may be fined not more than $250. If a purchaser is found responsible for a state civil infraction under this subsection, the court shall notify the department of state police of that determination.

Within 10 days after receiving the license copy returned under subsection (5), the licensing authority shall electronically enter the information into the pistol entry database as required by the department of state police if it has the ability to electronically enter that information. If the licensing authority does not have that ability, the licensing authority shall provide that information to the department of state police in a manner otherwise required by the department of state police. Any licensing authority that provided pistol descriptions to the department of state police under former section 9 of this act shall continue to provide pistol descriptions to the department of state police under this subsection. Within 48 hours after entering or otherwise providing the information on the license copy returned under subsection (5) to the department of state police, the licensing authority shall forward the copy of the license to the department of state police. A purchaser who fails to comply with the requirements of this subsection is responsible for a state civil infraction and may be fined not more than $250. If a purchaser is found responsible for a state civil infraction under this subsection, the court shall notify the department of state police of that determination.

Within 10 days after entering or otherwise providing the information on the license copy returned under subsection (5) to the department of state police, the licensing authority shall forward the copy of the license to the department of state police. A purchaser who fails to comply with the requirements of this subsection is responsible for a state civil infraction and may be fined not more than $250. If a purchaser is found responsible for a state civil infraction under this subsection, the court shall notify the department of state police of that determination.

The purchaser has the right to obtain a copy of the information placed in the pistol entry database under this subsection to verify the accuracy of that information. The licensing authority may charge a fee not to exceed $1 for the cost of providing the copy. The licensee may carry, use, possess, and transport the pistol for 30 days beginning on the date of purchase or acquisition only while he or she is in possession of his or her copy of the license. However, the person is not required to have the license in his or her possession while carrying, using, possessing, or transporting the pistol after this period.
This section does not apply to the purchase of pistols from wholesalers by dealers regularly engaged in the business of selling pistols at retail, or to the sale, barter, or exchange of pistols kept as relics or curios not made for modern ammunition or permanently deactivated.

This section does not prevent the transfer of ownership of pistols to an heir or devisee, whether by testamentary bequest or by the laws of intestacy regardless of whether the pistol is registered with this state. An individual who has inherited a pistol shall obtain a license as required in this section within 30 days of taking physical possession of the pistol. The license may be signed by a next of kin of the decedent or the person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, including when the next of kin is the individual inheriting the pistol. If the heir or devisee is not qualified for a license under this section, the heir or devisee may direct the next of kin or person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, to dispose of the pistol in any manner that is lawful and the heir or devisee considers appropriate. The person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, is not required to obtain a license under this section if he or she takes temporary lawful possession of the pistol in the process of disposing of the pistol pursuant to the decedent's testamentary bequest or the laws of intestacy. A law enforcement agency may not seize or confiscate a pistol being transferred by testamentary bequest or the laws of intestacy unless the heir or devisee does not qualify for obtaining a license under this section and the next of kin or person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, is unable to retain his or her temporary possession of the pistol or find alternative lawful storage. If a law enforcement agency seizes or confiscates a pistol under this subsection, the heir or devisee who is not qualified to obtain a license under this section retains ownership interest in the pistol and, within 30 days of being notified of the seizure or confiscation, may file with a court of competent jurisdiction to direct the law enforcement agency to lawfully transfer or otherwise dispose of the pistol. A pistol seized under this subsection shall not be destroyed, sold, or used while in possession of the seizing entity or its agents until 30 days have passed since the heir or devisee has been notified of the seizure and no legal action regarding the lawful possession or ownership of the seized pistol has been filed in any court and is pending. As provided in section 5b of 1927 PA 372, MCL 28.425b, if a license or notice of statutory disqualification is not issued within 45 days after the date this receipt was issued, this receipt shall serve as a concealed pistol license for the individual named in the receipt when carried with an official state-issued driver license or personal identification card. The receipt is valid as a license until a license or notice of statutory disqualification is issued by the county clerk. This receipt does not exempt the individual named in the receipt from complying with all applicable laws for the purchase of firearms.

If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. An individual may notify a county clerk, county sheriff, local police agency, or other entity that he or she has moved to a different address within this state for the purpose of receiving the notice under subsection (7). An individual shall notify a county clerk if the individual is not qualified under subsection (7) to receive that license.

If a license or notice of statutory disqualification is not issued under subsection (13) within 45 days after the date the individual has classifiable fingerprints taken under subsection (9), the receipt issued under subsection (9) serves as a concealed pistol license for the individual named in the receipt when carried with an official state-issued driver license or personal identification card. The receipt is valid as a license until a license or notice of statutory disqualification is issued by the county clerk. This receipt does not exempt the individual named in the receipt from complying with all applicable laws for the purchase of firearms.

The fingerprints must be taken, under subsection (9), in a manner prescribed by the department of state police. The county clerk, county sheriff, local police agency, or other entity shall immediately forward the fingerprints taken by that entity to the department of state police for comparison with fingerprints already on file with the department of state police. The department of state police shall immediately forward the fingerprints to the Federal Bureau of Investigation. Within 5 business days after completing the verification under subsection (6), the department shall send the county clerk a list of an individual's statutory disqualifications under this act. Except as provided in section 5a(4), the county clerk shall not issue a concealed pistol license until he or she receives the report of statutory disqualifications prescribed in this subsection. If an individual's fingerprints are not classifiable, the department of state police shall, at no charge, take the individual's fingerprints again or provide for the comparisons under this subsection to be conducted through alternative means. The county clerk shall not issue a notice of statutory disqualification because an individual's fingerprints are not classifiable by the Federal Bureau of Investigation.

The county clerk shall send by first-class mail a notice of statutory disqualification for a license under this act to an individual if the individual is not qualified under subsection (7) to receive that license.

A license to carry a concealed pistol that is issued based upon an application that contains a material false statement is void from the date the license is issued.

The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. If the county clerk receives notice from a county sheriff or chief law enforcement officer that a licensee is no longer a member of a sheriff's posse, an auxiliary officer, or a reserve officer, the county clerk shall notify the licensee that he or she shall surrender the concealed pistol license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on the premise described in section 5o. The licensee shall, within 30 days after receiving notice from the county clerk, surrender the license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o and obtain a replacement license after paying the fee required under subsection (15). If the county clerk issues a notice of statutory disqualification, the concealed weapon licensing board or the county clerk, as appropriate, shall within 5 business days do all of the following:

(a) Inform the individual in writing of the reasons for the denial or disqualification. Information under this subdivision shall include all of the following:

(i) A statement of each statutory disqualification identified.

(ii) The source of the record for each statutory disqualification identified.

(iii) The contact information for the source of the record for each statutory disqualification identified.

(b) Inform the individual in writing of his or her right to appeal the denial or notice of statutory disqualification to the circuit court as provided in section 5d.

(c) Inform the individual that he or she should contact the source of the record for any statutory disqualification to correct any errors in the record resulting in the statutory disqualification.

If a license or notice of statutory disqualification is not issued under subsection (13) within 45 days after the date the individual has classifiable fingerprints taken under subsection (9), the receipt issued under subsection (9) serves as a concealed pistol license for purposes of this act when carried with a state-issued driver license or personal identification card and is valid until a license or notice of statutory disqualification is issued by the county clerk.

If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. An individual may notify a county clerk that he or she has moved to a different address within this state for the purpose of receiving the notice under section 5f(1). A license to carry a concealed pistol that is lost, stolen, defaced, or replaced for any other reason may be replaced by the issuing county clerk for a replacement fee of $10.00. A county clerk shall deposit a replacement fee under this subsection in the concealed pistol licensing fund of that county created in section 5x.
If a license issued under this act is suspended or revoked, the license is forfeited and the individual shall return the license to the county clerk forthwith by mail or in person. The county clerk shall retain a suspended or revoked license as an official record 1 year after the expiration of the license, unless the license is reinstated or a new license is issued. The county clerk shall notify the department of state police if a license is suspended or revoked. The department of state police shall enter that suspension or revocation into the law enforcement information network. An individual who fails to return a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than $500, or both.

An applicant or an individual licensed under this act to carry a concealed pistol may be furnished a copy of his or her application under this section upon request and the payment of a reasonable fee not to exceed $1. The county clerk shall deposit any fee collected under this subsection in the concealed pistol licensing fund of that county created in section 5x.

This section does not prohibit the county clerk from making public and distributing to the public at no cost lists of individuals who are certified as qualified instructors as prescribed under section 5j.

A county clerk issuing an initial license or renewal license under this act shall mail the license to the licensee by first-class mail in a sealed envelope. Upon payment of the fee under subsection (15), a county clerk shall issue a replacement license in person at the time of application for a replacement license. A county clerk may also deliver a replacement license by first-class mail if the individual submits to the clerk a written request and a copy of the individual’s state-issued driver license or personal identification card.

A county clerk, county sheriff, county prosecuting attorney, police department, or the department of state police is not liable for civil damages as a result of issuing a license under this act to an individual who later commits a crime or a negligent act.

An individual licensed under this act to carry a concealed pistol may voluntarily surrender that license without explanation. A county clerk shall retain a surrendered license as an official record for 1 year after the license is surrendered. If an individual voluntarily surrenders a license under this subsection, the county clerk shall notify the department of state police. The department of state police shall enter into the law enforcement information network that the license was voluntarily surrendered and the date the license was voluntarily surrendered.
