Announcement 2002–1

Major Disaster Areas Proclaimed by the President

The President has determined that certain areas of the United States were adversely affected by disasters of sufficient magnitude to warrant Federal assistance under the Robert T. Stafford Disaster Relief and Emergency Assistance Act. The specific areas adversely affected as identified by the Director, Federal Emergency Management Agency (FEMA) are listed below.

Persons in the affected areas holding for sale alcoholic beverage cigars, cigarettes, or cigarette papers or tubes, which were lost, rendered unmarketable, or condemned by a duly authorized official by reason of these disasters, may be paid an amount equal to the internal revenue taxes and customs duties paid on such products, as provided in 26 U.S.C. 564 and 5708. Claims for such payments should be filed with the Director of Industry Operations, Bureau of Alcohol, Tobacco and Firearms, for the ATF district in which the alcoholic beverages, cigarettes, etc. were held for sale. Claims may be allowed only if filed within six months after the date the FEMA identifies the specific disaster area.
