Subpart D — ADMINISTRATIVE

TITLE 27—ALCOHOL, TOBACCO PRODUCTS AND FIREARMS—
CHAPTER I—BUREAU OF ALCOHOL, TOBACCO AND FIREARMS,
DEPARTMENT OF THE TREASURY

Delegation of Authority

27 CFR Parts 45 and 46

[T.D. ATF-472]

RIN 1512-AC59

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Department of the Treasury.

ACTION: Final rule (Treasury decision).

SUMMARY: This final rule places with the “appropriate ATF officer” all ATF authorities contained in the Removal of Tobacco Products and Cigarette Papers and Tubes, Without Payment of Tax, for Use of the United States regulations and in the Miscellaneous Regulations Relating to Tobacco Products and Cigarette Papers and Tubes. Consequently, this final rule removes the definitions of, and references to, officers and offices subordinate to the Director. This final rule also requires that persons file documents required by these regulations with the “appropriate ATF officer” or in accordance with the instructions on the ATF form. Concurrently with this Treasury Decision, ATF Order 1130.28 is being issued and will be made available as specified in this rule. Through this order, the Director has delegated all of the authorities to the appropriate ATF officers and specified the ATF officers with whom applications, notices, and other reports, which are not ATF forms, are filed.

EFFECTIVE DATE: This rule is effective February 27, 2002.

FOR FURTHER INFORMATION CONTACT: Robert Ruhf, Regulations Division, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue NW., Washington, DC 20226 (telephone 202-927-8210 or e-mail to alctob@atfhq.atf.treas.gov).

SUPPLEMENTARY INFORMATION:

Background

Delegations of Authority

Pursuant to Treasury Orders 120-01 (formerly 221), dated June 6, 1972, and 120-02 (formerly 221-4), dated December 5, 1978, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of chapter 52 of the Internal Revenue Code of 1986 and chapter 114 of Title 18 of the United States Code (U.S.C.). The Director has subsequently redelegated certain of these authorities to appropriate subordinate officers by way of various means, including by regulation, ATF delegation orders, regional directives, or similar delegation documents. As a result, to ascertain what particular officer is authorized to perform a particular function under such provisions, each of these various delegation instruments must be consulted. Similarly, each time
a delegation of authority is revoked or redelegated, each of the delegation documents must be reviewed and amended as necessary.

ATF has determined that this multiplicity of delegation instruments complicates and hinders the task of determining which ATF officer is authorized to perform a particular function. ATF also believes these multiple delegation instruments exacerbate the administrative burden associated with maintaining up-to-date delegations, resulting in an undue delay in reflecting current authorities.

Accordingly, this final rule rescinds all authorities of the Director in parts 45 and 46 that were previously delegated and places those authorities with the “appropriate ATF officer.” All of the authorities of the Director that were not previously delegated are also placed with the “appropriate ATF officer.” Along with this final rule, ATF is publishing ATF Order 1130.28, Delegation of the Director's Authorities in 27 CFR Parts 45 and 46, which delegates certain of these authorities to the appropriate organizational level. The effect of these changes is to consolidate all delegations of authority in parts 45 and 46 into one delegation instrument. This action both simplifies the process for determining what ATF officer is authorized to perform a particular function and facilitates the updating of delegations in the future. As a result, delegations of authority will be reflected in a more timely and user-friendly manner.

In addition, this final rule also eliminates all references in the regulations that identify the ATF officer with whom an ATF form is filed. This is because ATF forms will indicate the officer with whom they must be filed. Similarly, this final rule also amends parts 45 and 46 to provide that the submission of documents other than ATF forms (such as letterhead applications, notices and reports) must be filed with the “appropriate ATF officer” identified in ATF Order 1130.28. These changes will facilitate the identification of the officer with whom forms and other required submissions are filed.

This final rule also makes various technical amendments to 27 CFR parts 45 and 46. New §§ 45.26 and 46.20 are added to recognize the authority of the Director to delegate regulatory authorities for parts 45 and 46 and identifies ATF Order 1130.28 as the instrument reflecting such delegations. Also, §§ 45.27 and 46.21 are added to provide that an appropriate ATF officer prescribes all forms required by this part. In addition, it explains that the instructions for ATF forms identify the ATF officer with whom they must be filed. In addition in part 46, subpart B, which was previously reserved, is now entitled "Administrative Provisions".

ATF has made, or will make, similar changes in delegations to all other parts of Title 27 of the Code of Federal Regulations through separate rulemakings.

Miscellaneous Changes

We are revising the number for an ATF bond form, prescribed by subpart A of 27 CFR Part 46, from 2490 to 5620.10. In addition, we are correcting the title for 27 CFR Part 46 by adding a comma.

Paperwork Reduction Act

The provisions of the Paperwork
Reduction Act of 1995, Pub. L. 104-13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no new or revised record-keeping or reporting requirements.

**Regulatory Flexibility Act**

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) do not apply. A copy of this final rule was submitted to the Chief Counsel for Advocacy of the Small Business Administration in accordance with 26 U.S.C. 7805(f). No comments were received.

**Executive Order 12866**

It has been determined that this rule is not a significant regulatory action because it will not: (1) Have an annual effect on the economy of $100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

**Administrative Procedure Act**

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b). Similarly it is unnecessary to subject this final rule to the effective date limitation of 5 U.S.C. 553(d).

Title 27—Alcohol, Tobacco Products and Firearms—
Chapter I—Bureau of Alcohol, Tobacco and Firearms, Department of the Treasury

Delegation of Authority; Correction

27 CFR Part 46

[T.D. ATF-472a]
in 27 CFR Parts 45 and 46, which delegated certain of these authorities to the appropriate organizational level. The issuance of Order 1130.28 consolidated all delegations of authority into one delegation instrument. This action simplified the process for determining which ATF officer is authorized to perform a particular function and will facilitate the updating of such delegations in the future.

Need for Correction

As published, T.D. ATF 472 did not amend 27 CFR 46.8. Data to be shown in claim. Paragraph 13 of the final rule's amendatory instructions should have contained an additional instruction removing the words "regional director (compliance)" and adding the words "appropriate ATF officer" in the last sentence of § 46.8. This document corrects this inadvertent error, which may prove misleading if it is not clarified.

List of Subjects in 27 CFR Part 46

Administrative practice and procedure, Authority delegations, Cigars and cigarettes, Claims, Excise taxes, Packaging and containers, Penalties, Reporting and recordkeeping requirements, Seizures and forfeitures, Surety bonds, Tobacco.

Accordingly, 27 CFR part 46 is corrected by making the following correcting amendment:

**Paragraph 1.** The authority citation for part 46 continues to read as follows:

**§ 46.8 [Amended]**

**Par. 2.** In the last sentence of § 46.8(f), remove the words “regional director (compliance)” and add, in substitution, the words “appropriate ATF officer”.

RIN 1512-AC58

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Department of the Treasury.
ACTION: Treasury decision, final rule.

SUMMARY: This final rule places ATF authorities with the “appropriate ATF officer” and requires that persons file documents required with the “appropriate ATF officer” or in accordance with the instructions on the ATF form. Also, this final rule removes the definitions of, and references to, specific officers subordinate to the Director and the word “region.” Concurrently with this Treasury Decision, ATF Order 1130.12 is being issued and will be available to the public as specified in this rule. Through this order, the Director has delegated all of the authorities to the appropriate ATF officers and specified the ATF officers with whom applications, notices and other reports, which are not ATF forms, are to be filed. In addition, this final rule removes the regulations relating to a repealed tax on imported perfumes.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to Treasury Order 120-01 (formerly 221), dated June 6, 1972, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of chapter 51 of the Internal Revenue Code of 1986 (IRC) and the Federal Alcohol Administration (FAA) Act. The Director has subsequently redelegated certain of these authorities to appropriate subordinate officers by way of various means, including by regulation, ATF delegation orders, regional directives, or similar delegation documents. As a result, to ascertain what particular officer is authorized to perform a particular function under chapter 51 of the IRC or the FAA Act, each of these various delegation instruments must be consulted. Similarly, each time a delegation of authority is revoked or redelegated, each of the delegation documents must be reviewed and amended as necessary.

ATF has determined that this multiplicity of delegation instruments complicates and hinders the task of determining which ATF officer is authorized to perform a particular function. ATF also believes these multiple delegation instruments exacerbate the administrative burden associated with maintaining up-to-date delegations, resulting in an undue delay in reflecting current authorities.

Accordingly, this final rule rescinds all authorities of the Director in part 251 that were previously delegated and places those authorities with the “appropriate ATF officer.” All of the authorities of the Director that were not previously delegated are also placed with the “appropriate ATF officer.” Along with this final rule, ATF is publishing ATF Order 1130.12, Delegation of the Director’s Authorities in 27 CFR Part 251, Importation of Distilled Spirits, Wines, and Beer, which delegates authorities to appropriate ATF officers. The effect of
these changes is to consolidate all delegations of authority in part 251 into one delegation instrument. This action both simplifies the process for determining what ATF officer is authorized to perform a particular function and facilitates the updating of delegations in the future. As a result, delegations of authority will be reflected in a more timely and user-friendly manner.

In addition, this final rule also eliminates all references in the regulations that identify the ATF officer with whom an ATF form is filed. This is because ATF forms indicate the officer with whom they must be filed. Similarly, this final rule also amends part 251 to provide that the submission of documents other than ATF forms (such as letterhead applications, notices and reports) must be filed with the “appropriate ATF officer” identified in ATF Order 1130.12. These changes will facilitate the identification of the officer with whom forms and other required submissions are to be filed.

This final rule also makes various technical amendments to Subpart A—Scope of Regulations of 27 CFR part 251. First, a new § 251.3 is added to recognize the authority of the Director to delegate regulatory authorities in part 251 and to identify ATF Order 1130.12 as the instrument reflecting such delegations. Second, § 251.2 is amended to provide that the instructions for an ATF form identify the ATF officer with whom it must be filed.

ATF has made or will make similar changes in delegations to all other parts of Title 27 of the Code of Federal Regulations through separate rulemakings.

Miscellaneous Changes

Section 136(a) of Public Law 103-465 (108 Stat. 4841), known as the Uruguay Round Agreements Act, repealed section 5001(a)(3) of the Internal Revenue Code of 1986. This section had previously imposed a tax on perfumes imported into the United States containing distilled spirits, a tax of $13.50 per wine gallon. Consequently, we are removing sections in part 251 of the Code of Federal Regulations that refer to this repealed tax.

Corrections

Sections 251.55 and 251.59 are being amended to remove references to obsolete regulations and an obsolete form.

Regulatory Analysis

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1995, Pub. L. 104-13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no new or revised recordkeeping or reporting requirements.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) do not apply. A copy of this final rule was submitted to the Chief Counsel for Advocacy of the Small Business Administration in accordance with 26 U.S.C. 7805(f). No comments were received.
Executive Order 12866

It has been determined that this rule is not a significant regulatory action because it will not: (1) Have an annual effect on the economy of $100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

Administrative Procedure Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b). Similarly it is unnecessary to subject this final rule to the effective date limitation of 5 U.S.C. 553(d).
