- (4) The enactment or enforcement of generally applicable zoning or business ordinances that apply to firearms businesses to the same degree as other similar businesses. However, a provision of an ordinance that is designed or enforced to effectively restrict or prohibit the sale, purchase, transfer, manufacture, or display of firearms, ammunition, or firearm accessories that is otherwise lawful under the laws of this state is void. A unit (as defined in IC 36-1-2-23) may not use the unit's planning and zoning powers under IC 36-7-4 to prohibit the sale of firearms within a prescribed distance of any other type of commercial property or of school property or other educational property.

(6) The enactment or enforcement of a provision prohibiting or restricting the intentional display of a firearm at a public meeting.

(7) The enactment or enforcement of a provision prohibiting or restricting the possession of a firearm in a public hospital corporation that contains a secure correctional health unit that is staffed by a law enforcement officer 24 hours a day.

(8) The imposition of any restriction or condition placed on a person participating in:

(A) a community corrections program (IC 11-12-1);

(B) a forensic diversion program (IC 11-12-3.7); or

(C) a pretrial diversion program (IC 33-39-1).

(9) The enforcement or prosecution of the offense of criminal recklessness (IC 35-42-2-2) involving the use of a firearm.

(10) For an event occurring on property leased from a political subdivision or municipal corporation by the promoter or organizer of the event:

(A) the establishment, by the promoter or organizer, at the promoter's or organizer's own discretion, of rules of conduct or admission upon which attendance at or participation in the event is conditioned; or

(B) the implementation or enforcement of the rules of conduct or admission described in clause (A) by a political subdivision or municipal corporation in connection with the event.

(11) The enactment or enforcement of a provision prohibiting or restricting the possession of a firearm in a hospital established and operated under IC 16-22-2 or IC 16-23.

(12) A unit from using the unit's planning and zoning powers under IC 36-7-4 to prohibit the sale of firearms within 200 feet of a school by a person having a business that did not sell firearms within 200 feet of a school before April 1, 1994.

(13) Subject to IC 35-47-16-1, a unit (as defined in IC 36-1-2-23) from enacting or enforcing a provision prohibiting or restricting the possession of a firearm in a building owned or administered by the unit if:

(A) metal detection devices are located at each public entrance to the building;

(B) each public entrance to the building is staffed by at least 1 law enforcement officer:

(i) who has been adequately trained to conduct inspections of persons entering the building by use of metal detection devices and proper physical pat down searches; and

(ii) when the building is open to the public; and

(C) each:

(i) individual who enters the building through the public entrance when the building is open to the public; and

(ii) bag, package, and other container carried by the individual;

is inspected by a law enforcement officer described in clause (B)

However, except as provided in subdivision (5) concerning a building that contains a courtroom, a unit may not prohibit or restrict the possession of a handgun under this subdivision in a building owned or administered by the unit if the person who possesses the handgun has been issued a valid license to carry the handgun under IC 35-47-2.

Section 153.030. Official schedule of uses.

Certain principal and accessory uses are permitted, either by right or by special exception, in each zoning district. The city's Official Schedule of Uses shall determine whether or not a specific use is permitted or prohibited in each of the established zoning districts. Uses not specifically listed or defined to be included in this division shall be prohibited.

Section 153.031. Permitted uses.

Permitted uses are allowed, by right, in a particular zoning district or districts and shall be subject to the restrictions applicable to that zoning district. Permitted uses do not require consideration or approval by the Board of Zoning Appeals.

Section 153.032. Special exception uses.

Certain uses may be appropriate in any number of districts; however, some uses may require an added degree of scrutiny in the form of development plan review to ensure that the proposed activities, traffic generation, on- and off-street parking, and other elements of the project do not negatively affect adjacent properties. Special exception uses are only permissible with the issuance of a special exception use permit. The special exception uses for each district are listed in the official schedule of uses. The Board of Zoning Appeals shall take into consideration all of the applicable provisions of this chapter, and any other applicable ordinance or regulations when reviewing and deciding on any special exception use permit.
