# FESD Program Highlights

## E-Forms Update

- ATF continues to work with the ATF Office of Science and Technology on our e-Forms project.
- E4473 was updated to reflect the current version that was required as of July 9, 2012.

# AFMER

- ATF Form 5300.11 – Annual Firearms Manufacturing and Exportation Report.
- Due April 30 for the preceding calendar year's manufacturing activity.
- All licensed manufacturers must file, even if they have not manufactured anything during the year.
- Refer to the AFMER FAQ on [www.atf.gov](http://www.atf.gov).

# AFMER Statistics

AFMER Statistics are Available at  
[www.atf.gov/statistics/](http://www.atf.gov/statistics/)

- 2011 Interim report was just released in July of 2012
- 2011 Final Report will be released in early 2013
