

Firearms Industry Meetings April 2011

April 4, 2011: The Bureau of Alcohol, Tobacco, Firearms & Explosives' (ATF's) Directorates of Field Operations and Enforcement Programs and Services hosted a manufacturer's round table meeting at ATF Headquarters. Representatives of ATF and over 13 manufacturers discussed topics of interest, including: markings, marking variances, recent rulings, recordkeeping requirements, required markings when shipping receivers to secondary manufacturers, inspection statistics and other manufacturer compliance information. Additional meetings will be conducted as the need arises.
