

May 2012 – Firearms Industry Communication Meeting

On May 23, 2012 ATF hosted a firearms industry communications meeting for manufacturers in the firearms industry. In attendance were the National Shooting Sports Foundation (NSSF) and several manufacturers. The meeting was held at ATF National Headquarters in Washington, DC. Topics of discussion included:

- Marking variances
- Armor Piercing Ammunition
- ATF's Shotgun Importability Report
- United Nations Arms Trade Treaty
- Licensee Inspections
- NFA Application Processing
- e-Forms update
- Licensee Outreach via Webinars
