I do not believe that this proposal by the ATF would have any positive effect, except to harrass and persecute law abiding US citizens, who would be 99% of the legal purchasers of guns in the border states or anywhere else!

I personally think every American citizen should be required to have guns in their possession, and that every elementary school student should be required to receive gun handling training!

Please do no assault people's intelligence by this transparent attempt to harrass law abiding businesses and US citizens. If Mexico refuses to face their own problems, they should not be allowed with your complicity to abuse US society!

Kindly withdraw this ill conceived effort!

Subject: NO MORE ATF Power

Dear Ms. Terrell;

I understand that the **Bureau of Alcohol, Tobacco, Firearms and Explosives** is demanding the authority to require all of the 8,500 firearm dealers in California, Arizona, New Mexico and Texas report all sales of two or more semiautomatic rifles within five consecutive business days if the rifles are larger than .22 caliber and use detachable magazines. For example, a dealer would have to tell the government every time a deer hunter in Sacramento or Amarillo finds a good deal on a pair of semi-auto .30-06s like the popular Remington 7400. This is ludicrous.

The ATF has no legal authority to demand these reports.

The flood of new paperwork will waste scarce law enforcement resources that should be spent on legitimate investigations.

STAY AWAY FROM MY NATURAL RIGHT TO DEFEND MYSELF AND MY LOVED ONES.

ENFORCE THE LAWS ALREADY ON THE BOOKS AND YOUR 'PROBLEMS' WILL BE SOLVED:

ARREST AND INCARCERATE ILLEGAL ALIENS = END OF PROBLEM...

EASY AS PIE

sincerely, Douglas Anderson,

I am strongly against this proposed law. Smaller government, not larger, and keep your hands off of my guns. Go hassle the Mexican drug Cartels and leave law abiding Americans alone.
