790.01 Unlicensed carrying of concealed weapons or concealed firearms.—

(1) Except as provided in subsection (3), a person who is not licensed under § 790.06 and who carries a concealed weapon or electric weapon or device on or about his or her person commits a misdemeanor of the first degree, punishable as provided in § 775.082 or § 775.083.

(2) Except as provided in subsection (3), a person who is not licensed under § 790.06 and who carries a concealed firearm on or about his or her person commits a felony of the third degree, punishable as provided in § 775.082, § 775.083, or § 775.084.

(3) This section does not apply to:

- (a) A person who carries a concealed weapon, or a person who may lawfully possess a firearm and who carries a concealed firearm, on or about his or her person while in the act of evacuating during a mandatory evacuation order

issued during a state of emergency declared by the Governor pursuant to chapter 252 or declared by a local authority pursuant to chapter 870. As used in this subsection, the term "in the act of evacuating" means the immediate and urgent movement of a person away from the evacuation zone within 48 hours after a mandatory evacuation is ordered. The 48 hours may be extended by an order issued by the Governor.

790.015 Nonresidents who are United States citizens and hold a concealed weapons license in another state; reciprocity.—

- (1) Notwithstanding § 790.01, a nonresident of Florida may carry a concealed weapon or concealed firearm while in this state if the nonresident:
 - (a) Is 21 years of age or older.
 - (b) Has in his or her immediate possession a valid license to carry a concealed weapon or concealed firearm issued to the nonresident in his or her state of residence.
 - (c) Is a resident of the United States.
- (2) A nonresident is subject to the same laws and restrictions with respect to carrying a concealed weapon or concealed firearm as a resident of Florida who is so licensed.
- (3) If the resident of another state who is the holder of a valid license to carry a concealed weapon or concealed firearm issued in another state establishes legal residence in this state by:
 - (a) Registering to vote;
 - (b) Making a statement of domicile pursuant to § 222.17; or
 - (c) Filing for homestead tax exemption on property in this state, the license shall remain in effect for 90 days following the date on which the holder of the license establishes legal state residence.
- (4) This section applies only to nonresident concealed weapon or concealed firearm license holders from states that honor Florida concealed weapon or concealed firearm licenses.
- (5) The requirement of paragraph (1)(a) does not apply to a person who:
 - (a) Is a service member, as defined in § 250.01; or
 - (b) Is a veteran of the United States Armed Forces who was discharged under honorable conditions.

790.02 Officer to arrest without warrant and upon probable cause.—The carrying of a concealed weapon is declared a breach of peace, and any officer authorized to make arrests under the laws of this state may make arrests without warrant of persons violating the provisions of § 790.01 when said officer has reasonable grounds or probable cause to believe that the offense of carrying a concealed weapon is being committed.

790.051 Exemption from licensing requirements; law enforcement officers.—Law enforcement officers are exempt from the licensing and penal provisions of this chapter when acting at any time within the scope or course of their official duties or when acting at any time in the line of or performance of duty.

790.052 Carrying concealed firearms; off-duty law enforcement officers.—

- (1) All persons holding active certifications from the Criminal Justice Standards and Training Commission as law enforcement officers or correctional officers as defined in § 943.10(1), (2), (6), (7), (8), or (9) shall have the right to carry, on or about their persons, concealed firearms, during off-duty hours, at the discretion of their superior officers, and may perform those law enforcement functions that they normally perform during duty hours, utilizing their weapons in a manner which is reasonably expected of on-duty officers in similar situations. However, nothing in this subsection shall be construed to limit the right of a law enforcement officer, correctional officer, or correctional probation officer to carry a concealed firearm off duty as a private citizen under the exemption provided in § 790.06 that allows a law enforcement officer, correctional officer, or correctional probation officer as defined in § 943.10(1), (2), (3), (6), (7), (8), or (9) to carry a concealed firearm without a concealed weapon or firearm license. The appointing or employing agency or department of an officer carrying a concealed firearm as a private citizen under § 790.06 shall not be liable for the use of the firearm in such capacity. Nothing herein limits the authority of the appointing or employing agency or department from establishing policies limiting law enforcement officers or correctional officers from carrying concealed firearms during off-duty hours in their capacity as appointees or employees of the agency or department.
- (2) The superior officer of any police department or sheriff's office or the Florida Highway Patrol, if he or she elects to direct the officers under his or her supervision to carry concealed firearms while off duty, shall file a statement with the governing body of such department of his or her instructions and requirements relating to the carrying of said firearms.

790.053 Open carrying of weapons.—

- (1) Except as otherwise provided by law and in subsection (2), it is unlawful for any person to openly carry on or about his or her person any firearm or electric weapon or device. It is not a violation of this section for a person licensed to carry a concealed firearm as provided in § 790.06(1), and who is lawfully carrying a firearm in a concealed manner, to briefly and openly display the firearm to the ordinary sight of another person, unless the firearm is intentionally displayed in an angry or threatening manner, not in necessary self-defense.
- (3) Any person violating this section commits a misdemeanor of the second degree, punishable as provided in § 775.082 or § 775.083.

790.06 License to carry concealed weapon or firearm.—

(1) The Department of Agriculture and Consumer Services is authorized to issue licenses to carry concealed weapons or concealed firearms to persons qualified as provided in this section. Each such license must bear a color photograph of the licensee. For the purposes of this section, concealed weapons or concealed firearms are defined as a handgun, electronic weapon or device, tear gas gun, knife, or billie, but the term does not include a machine gun as defined in § 790.001(9). Such licenses shall be valid throughout the state for a period of 7 years from the date of issuance. Any person in compliance with the terms of such license may carry a concealed weapon or concealed firearm notwithstanding the provisions of § 790.01. The licensee must carry the license, together with valid identification, at all times in which the licensee is in actual possession of a concealed weapon or firearm and must display both the license and proper identification upon demand by a law enforcement officer. Violations of the provisions of this subsection shall constitute a noncriminal violation with a penalty of \$25, payable to the clerk of the court.

(2) The Department of Agriculture and Consumer Services shall issue a license if the applicant:

- (a)** Is a resident of the United States and a citizen of the United States or a permanent resident alien of the United States, as determined by the United States Bureau of Citizenship and Immigration Services, or is a consular security official of a foreign government that maintains diplomatic relations and treaties of commerce, friendship, and navigation with the United States and is certified as such by the foreign government and by the appropriate embassy in this country;

It shall be presumed that an applicant chronically and habitually uses alcoholic beverages or other substances to the extent that his or her normal faculties are impaired if the applicant has been committed under chapter 397 or under the provisions of former chapter 396 or has been convicted under § 790.151 or has been deemed a habitual offender under § 856.011(3), or has had two or more convictions under § 316.193 or similar laws of any other state, within the 3-year period immediately preceding the date on which the application is submitted;

A person who conducts a course pursuant to subparagraph 2., subparagraph 3., or subparagraph 7., or who, as an instructor, attests to the completion of such courses, must maintain records certifying that he or she observed the student safely handle and discharge the firearm in his or her physical presence and that the discharge of the firearm included live fire using a firearm and ammunition as defined in § 790.001;

(n) Is not prohibited from purchasing or possessing a firearm by any other provision of Florida or federal law.

(3) The Department of Agriculture and Consumer Services shall deny a license if the applicant has been found guilty of, had adjudication of guilt withheld for, or had imposition of sentence suspended for one or more crimes of violence constituting a misdemeanor, unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled or the record has been sealed or expunged. The Department of Agriculture and Consumer Services shall revoke a license if the licensee has been found guilty of, had adjudication of guilt withheld for, or had imposition of sentence suspended for one or more crimes of violence within the preceding 3 years. The department shall, upon notification by a law enforcement agency, a court, or the Florida Department of Law Enforcement and subsequent written verification, suspend a license or the processing of an application for a license if the licensee or applicant is arrested or formally charged with a crime that would disqualify such person from having a license under this section, until final disposition of the case. The department shall suspend a license or the processing of an application for a license if the licensee or applicant is issued an injunction that restrains the licensee or applicant from committing acts of domestic violence or acts of repeat violence.

(4) The application shall be completed, under oath, on a form adopted by the Department of Agriculture and Consumer Services and shall include:

(a) The name, address, place of birth, date of birth, and race of the applicant;

(c) A statement that the applicant has been furnished a copy of this chapter and is knowledgeable of its provisions;

(e) A statement that the applicant desires a concealed weapon or firearms license as a means of lawful self-defense; and

(f) Directions for an applicant who is a service member, as defined in § 250.01, or a veteran, as defined in § 1.01, to request expedited processing of his or her application.

(5) The applicant shall submit to the Department of Agriculture and Consumer Services or an approved tax collector pursuant to § 790.0625:

(a) A completed application as described in subsection (4).

(b) A nonrefundable license fee of up to \$60 if he or she has not previously been issued a statewide license or of up to \$50 for renewal of a statewide license. The cost of processing fingerprints as required in paragraph (c) shall be borne by the applicant. However, an individual holding an active certification from the Criminal Justice Standards and Training Commission as a law enforcement officer, correctional officer, or correctional probation officer as defined in § 943.10(1), (2), (3), (6), (7), (8), or (9) is exempt from the licensing requirements of this section. If such individual wishes to receive a concealed weapon or firearm license, he or she is exempt from the background investigation and all background investigation fees but must pay the current license fees regularly required to be paid by nonexempt applicants. Further, a law enforcement officer, a correctional officer, or a correctional probation officer as defined in § 943.10(1), (2), or (3) is exempt from the required fees and background investigation for 1 year after his or her retirement.

(c) A full set of fingerprints of the applicant administered by a law enforcement agency or the Division of Licensing of the Department of Agriculture and Consumer Services or an approved tax collector pursuant to § 790.0625 together with any personal identifying information required by federal law to process fingerprints.

1. A service member shall submit a copy of the Common Access Card, United States Uniformed Services Identification Card, or current deployment orders.

2. A veteran shall submit a copy of the DD Form 214, issued by the United States Department of Defense, or another acceptable form of identification as specified by the Department of Veterans' Affairs.

(6)(a) The Department of Agriculture and Consumer Services, upon receipt of the items listed in subsection (5), shall forward the full set of fingerprints of the applicant to the Department of Law Enforcement for state and federal processing, provided the federal service is available, to be processed for any criminal justice information as defined in § 943.045. The cost of processing such fingerprints shall be payable to the Department of Law Enforcement by the Department of Agriculture and Consumer Services.

(b) The sheriff's office shall provide fingerprinting service if requested by the applicant and may charge a fee not to exceed \$5 for this service.

(c) The Department of Agriculture and Consumer Services shall, within 90 days after the date of receipt of the items listed in subsection (5):

1. Issue the license; or

2. Deny the application based solely on the ground that the applicant fails to qualify under the criteria listed in subsection (2) or subsection (3). If the Department of Agriculture and Consumer Services denies the application, it shall

notify the applicant in writing, stating the ground for denial and informing the applicant of any right to a hearing pursuant to chapter 120.

3. In the event the department receives criminal history information with no final disposition on a crime which may disqualify the applicant, the time limitation prescribed by this paragraph may be suspended until receipt of the final disposition or proof of restoration of civil and firearm rights.

(d) In the event a legible set of fingerprints, as determined by the Department of Agriculture and Consumer Services or the Federal Bureau of Investigation, cannot be obtained after two attempts, the Department of Agriculture and Consumer Services shall determine eligibility based upon the name checks conducted by the Florida Department of Law Enforcement.

(e) A consular security official of a foreign government that maintains diplomatic relations and treaties of commerce, friendship, and navigation with the United States and is certified as such by the foreign government and by the appropriate embassy in this country must be issued a license within 20 days after the date of the receipt of a completed application, certification document, color photograph as specified in paragraph (5)(e), and a nonrefundable license fee of \$300. Consular security official licenses shall be valid for 1 year and may be renewed upon completion of the application process as provided in this section.

(f) The Department of Agriculture and Consumer Services shall, upon receipt of a completed application and the identifying information required under paragraph (5)(f), expedite the processing of a service member's or a veteran's concealed weapon or firearm license application.

(7) The Department of Agriculture and Consumer Services shall maintain an automated listing of license holders and pertinent information, and such information shall be available online, upon request, at all times to all law enforcement agencies through the Florida Crime Information Center.

(8) Within 30 days after the changing of a permanent address, or within 30 days after having a license lost or destroyed, the licensee shall notify the Department of Agriculture and Consumer Services of such change. Failure to notify the Department of Agriculture and Consumer Services pursuant to the provisions of this subsection shall constitute a noncriminal violation with a penalty of \$25.

(9) In the event that a concealed weapon or firearm license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of \$15 to the Department of Agriculture and Consumer Services, obtain a duplicate, or substitute thereof, upon furnishing a notarized statement to the Department of Agriculture and Consumer Services that such license has been lost or destroyed.

(10) A license issued under this section shall be suspended or revoked pursuant to chapter 120 if the licensee:

- (a)** Is found to be ineligible under the criteria set forth in subsection (2);
- (b)** Develops or sustains a physical infirmity which prevents the safe handling of a weapon or firearm;
- (c)** Is convicted of a felony which would make the licensee ineligible to possess a firearm pursuant to § 790.23;
- (d)** Is found guilty of a crime under the provisions of chapter 893, or similar laws of any other state, relating to controlled substances;
- (e)** Is committed as a substance abuser under chapter 397, or is deemed a habitual offender under § 856.011(3), or similar laws of any other state;
- (f)** Is convicted of a second violation of § 316.193, or a similar law of another state, within 3 years after a first conviction of such section or similar law of another state, even though the first violation may have occurred before the date on which the application was submitted;
- (g)** Is adjudicated an incapacitated person under § 744.331, or similar laws of any other state; or
- (h)** Is committed to a mental institution under chapter 394, or similar laws of any other state.

Notwithstanding § 120.60(5), service of a notice of the suspension or revocation of a concealed weapon or firearm license must be given by either certified mail, return receipt requested, to the licensee at his or her last known mailing address furnished to the Department of Agriculture and Consumer Services, or by personal service. If a notice given by certified mail is returned as undeliverable, a second attempt must be made to provide notice to the licensee at that address, by either first-class mail in an envelope, postage prepaid, addressed to the licensee at his or her last known mailing address furnished to the department, or, if the licensee has provided an e-mail address to the department, by e-mail. Such mailing by the department constitutes notice, and any failure by the licensee to receive such notice does not stay the effective date or term of the suspension or revocation. A request for hearing must be filed with the department within 21 days after notice is received by personal delivery, or within 26 days after the date the department deposits the notice in the United States mail (21 days plus 5 days for mailing). The department shall document its attempts to provide notice, and such documentation is admissible in the courts of this state and constitutes sufficient proof that notice was given.

(11)(a) At least 90 days before the expiration date of the license, the Department of Agriculture and Consumer Services shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of Agriculture and Consumer Services. The licensee must renew his or her license on or before the expiration date by filing with the Department of Agriculture and Consumer Services the renewal form containing an affidavit submitted under oath and under penalty of perjury stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3), a color photograph as specified in paragraph (5)(e), and the required renewal fee. Out-of-state residents must also submit a complete set of fingerprints and fingerprint processing fee. The license shall be renewed upon receipt of the completed renewal form, color photograph, appropriate payment of fees, and, if applicable, fingerprints. Additionally, a licensee who fails to file a renewal application on or before its expiration date must renew his or her license by paying a

late fee of \$15. A license may not be renewed 180 days or more after its expiration date, and such a license is deemed to be permanently expired. A person whose license has been permanently expired may reapply for licensure; however, an application for licensure and fees under subsection (5) must be submitted, and a background investigation shall be conducted pursuant to this section. A person who knowingly files false information under this subsection is subject to criminal prosecution under § 837.06.

(b) A license issued to a service member, as defined in § 250.01, is subject to paragraph (a); however, such a license does not expire while the service member is serving on military orders that have taken him or her over 35 miles from his or her residence and shall be extended, as provided in this paragraph, for up to 180 days after his or her return to such residence. If the license renewal requirements in paragraph (a) are met within the 180-day extension period, the service member may not be charged any additional costs, such as, but not limited to, late fees or delinquency fees, above the normal license fees. The service member must present to the Department of Agriculture and Consumer Services a copy of his or her official military orders or a written verification from the member's commanding officer before the end of the 180-day period in order to qualify for the extension.

(12)(a) A license issued under this section does not authorize any person to openly carry a handgun or carry a concealed weapon or firearm into:

1. Any place of nuisance as defined in § 823.05;
2. Any police, sheriff, or highway patrol station;
3. Any detention facility, prison, or jail;
4. Any courthouse;
5. Any courtroom, except that nothing in this section would preclude a judge from carrying a concealed weapon or determining who will carry a concealed weapon in his or her courtroom;
6. Any polling place;
7. Any meeting of the governing body of a county, public school district, municipality, or special district;
8. Any meeting of the Legislature or a committee thereof;
9. Any school, college, or professional athletic event not related to firearms;
10. Any elementary or secondary school facility or administration building;
11. Any career center;
12. Any portion of an establishment licensed to dispense alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to such purpose;
13. Any college or university facility unless the licensee is a registered student, employee, or faculty member of such college or university and the weapon is a stun gun or nonlethal electric weapon or device designed solely for defensive purposes and the weapon does not fire a dart or projectile;
14. The inside of the passenger terminal and sterile area of any airport, provided that no person shall be prohibited from carrying any legal firearm into the terminal, which firearm is encased for shipment for purposes of checking such firearm as baggage to be lawfully transported on any aircraft; or
15. Any place where the carrying of firearms is prohibited by federal law.

(b) A person licensed under this section shall not be prohibited from carrying or storing a firearm in a vehicle for lawful purposes.

(c) This section does not modify the terms or conditions of § 790.251(7).

(d) Any person who knowingly and willfully violates any provision of this subsection commits a misdemeanor of the second degree, punishable as provided in § 775.082 or § 775.083.

(15) ...The Department of Agriculture and Consumer Services shall implement and administer the provisions of this section. The Legislature does not delegate to the Department of Agriculture and Consumer Services the authority to regulate or restrict the issuing of licenses provided for in this section, beyond those provisions contained in this section. Subjective or arbitrary actions or rules which encumber the issuing process by placing burdens on the applicant beyond those sworn statements and specified documents detailed in this section or which create restrictions beyond those specified in this section are in conflict with the intent of this section and are prohibited. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense. This section is supplemental and additional to existing rights to bear arms, and nothing in this section shall impair or diminish such rights.

(16) The Department of Agriculture and Consumer Services shall maintain statistical information on the number of licenses issued, revoked, suspended, and denied.

(17) As amended by chapter 87-24, Laws of Florida, this section shall be known and may be cited as the "Jack Hagler Self Defense Act."

790.0601 Public records exemption for concealed weapons.—

(1) Personal identifying information of an individual who has applied for or received a license to carry a concealed weapon or firearm pursuant to § 790.06 held by the Division of Licensing of the Department of Agriculture and Consumer Services is confidential and exempt from § 119.07(1) and § 24(a), Art. 790.061 Judges and justices; exceptions from licensure provisions. A county court judge, circuit court judge, district court of appeal judge, justice of the supreme court, federal district court judge, or federal court of appeals judge serving in this state is not required to comply with the provisions of § 790.06 in order to receive a license to carry a concealed weapon or firearm, except that any such justice or judge must comply with the provisions of § 790.06(2)(h). The Department of Agriculture and Consumer Services shall issue a license to carry a concealed weapon or firearm to any such justice or judge upon demonstration of competence of the justice or judge pursuant to § 790.06(2)(h).

790.062 Members and veterans of United States Armed Forces; exceptions from licensure provisions.—

(1) Notwithstanding § 790.06(2)(b), the Department of Agriculture and Consumer Services shall issue a license to carry a concealed weapon or firearm under § 790.06 if the applicant is otherwise qualified and:

- (a)** Is a service member, as defined in § 250.01; or
- (b)** Is a veteran of the United States Armed Forces who was discharged under honorable conditions.

(2) The Department of Agriculture and Consumer Services shall accept fingerprints of an applicant under this section administered by any law enforcement agency, military provost, or other military unit charged with law enforcement duties or as otherwise provided for in § 790.06(5)(c).

790.0625 Appointment of tax collectors to accept applications for a concealed weapon or firearm license; fees; penalties.—

(1) As used in this section, the term:

- (a)** “Department” means the Department of Agriculture and Consumer Services.
- (b)** “Division” means the Division of Licensing of the Department of Agriculture and Consumer Services.

(2) The department, at its discretion, may appoint tax collectors, as defined in § 1(d) of Art. VIII of the State Constitution, to accept applications on behalf of the division for concealed weapon or firearm licenses. Such appointment shall be for specified locations that will best serve the public interest and convenience in applying for these licenses.

(3) A tax collector seeking to be appointed to accept applications for new or renewal concealed weapon or firearm licenses must submit a written request to the division stating his or her name, address, telephone number, each location within the county at which the tax collector wishes to accept applications, and other information as required by the division.

(a) Upon receipt of a written request, the division shall review it and at its discretion may decline to enter into a memorandum of understanding or, if approved, enter into a memorandum of understanding with the tax collector to accept applications for new or renewal concealed weapon or firearm licenses on behalf of the department.

(b) The department or the division may rescind a memorandum of understanding for any reason at any time.

(4) All personal identifying information that is provided pursuant to § 790.06 and contained in the records of a tax collector appointed under this section is confidential and exempt as provided in § 790.0601.

(5) A tax collector appointed under this section may collect and retain a convenience fee of \$22 for each new application and \$12 for each renewal application and shall remit weekly to the department the license fees pursuant to § 790.06 for deposit in the Division of Licensing Trust Fund.

(6)(a) A tax collector appointed under this section may not maintain a list or record of persons who apply for or are granted a new or renewal license to carry a concealed weapon or firearm. A violation of this paragraph is subject to § 790.335.

(b) A person may not handle an application for a concealed weapon or firearm for a fee or compensation of any kind unless he or she has been appointed by the department to do so.

(7) A person who willfully violates this section commits a misdemeanor of the second degree, punishable as provided in § 775.082 or § 775.083.

(8) Upon receipt of a completed renewal application, a new color photograph, and appropriate payment of fees, a tax collector authorized to accept renewal applications for concealed weapon or firearm licenses under this section may, upon approval and confirmation of license issuance by the department, print and deliver a concealed weapon or firearm license to a licensee renewing his or her license at the tax collector's office.

790.065 Sale and delivery of firearms.—

(1)(a) A licensed importer, licensed manufacturer, or licensed dealer may not sell or deliver from her or his inventory at her or his licensed premises any firearm to another person, other than a licensed importer, licensed manufacturer, licensed dealer, or licensed collector, until she or he has:

1. Obtained a completed form from the potential buyer or transferee, which form shall have been promulgated by the Department of Law Enforcement and provided by the licensed importer, licensed manufacturer, or licensed dealer, which shall include the name, date of birth, gender, race, and social security number or other identification number of such potential buyer or transferee and has inspected proper identification including an identification containing a photograph of the potential buyer or transferee.

2. Collected a fee from the potential buyer for processing the criminal history check of the potential buyer. The fee shall be established by the Department of Law Enforcement and may not exceed \$8 per transaction. The Department of Law Enforcement may reduce, or suspend collection of, the fee to reflect payment received from the Federal Government applied to the cost of maintaining the criminal history check system established by this section as a means of facilitating or supplementing the National Instant Criminal Background Check System. The Department of Law Enforcement shall, by rule, establish procedures for the fees to be transmitted by the licensee to the Department of Law Enforcement. All such fees shall be deposited into the Department of Law Enforcement Operating Trust Fund, but shall be segregated from all other funds deposited into such trust fund and must be accounted for separately. Such segregated funds must not be used for any purpose other than the operation of the criminal history checks required by this section. The Department of Law Enforcement, each year prior to February 1, shall make a full accounting of all receipts and expenditures of such funds to the President of the Senate, the Speaker of the House of Representatives, the majority and minority leaders of each house of the Legislature, and the chairs of the appropriations committees of each house of the Legislature. In the event that the cumulative amount of funds collected exceeds the cumulative amount of expenditures by more than \$2.5 million, excess funds may be used for the purpose of purchasing soft body armor for law enforcement officers.

3. Requested, by means of a toll-free telephone call, the Department of Law Enforcement to conduct a check of the information as reported and reflected in the Florida Crime Information Center and National Crime Information Center systems as of the date of the request.

4. Received a unique approval number for that inquiry from the Department of Law Enforcement, and recorded the date and such number on the consent form.

(b) However, if the person purchasing, or receiving delivery of, the firearm is a holder of a valid concealed weapons or firearms license pursuant to the provisions of § 790.06 or holds an active certification from the Criminal Justice Standards and Training Commission as a "law enforcement officer," a "correctional officer," or a "correctional probation officer" as defined in § 943.10(1), (2), (3), (6), (7), (8), or (9), this subsection does not apply.

(c) This subsection does not apply to the purchase, trade, or transfer of a rifle or shotgun by a resident of this state when the resident makes such purchase, trade, or transfer from a licensed importer, licensed manufacturer, or licensed dealer in another state.

(2) Upon receipt of a request for a criminal history record check, the Department of Law Enforcement shall, during the licensee's call or by return call, forthwith:

(a) Review any records available to determine if the potential buyer or transferee:

1. Has been convicted of a felony and is prohibited from receipt or possession of a firearm pursuant to § 790.23;

2. Has been convicted of a misdemeanor crime of domestic violence, and therefore is prohibited from purchasing a firearm;

3. Has had adjudication of guilt withheld or imposition of sentence suspended on any felony or misdemeanor crime of domestic violence unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled or expunction has occurred; or

4. Has been adjudicated mentally defective or has been committed to a mental institution by a court or as provided in sub-sub-subparagraph b.(II), and as a result is prohibited by state or federal law from purchasing a firearm.

a. As used in this subparagraph, "adjudicated mentally defective" means a determination by a court that a person, as a result of marked subnormal intelligence, or mental illness, incompetency, condition, or disease, is a danger to himself or herself or to others or lacks the mental capacity to contract or manage his or her own affairs. The phrase includes a judicial finding of incapacity under § 744.331(6)(a), an acquittal by reason of insanity of a person charged with a criminal offense, and a judicial finding that a criminal defendant is not competent to stand trial.

b. As used in this subparagraph, "committed to a mental institution" means:

(I) Involuntary commitment, commitment for mental defectiveness or mental illness, and commitment for substance abuse. The phrase includes involuntary inpatient placement as defined in § 394.467, involuntary outpatient placement as defined in § 394.4655, involuntary assessment and stabilization under § 397.6818, and involuntary substance abuse treatment under § 397.6957, but does not include a person in a mental institution for observation or discharged from a mental institution based upon the initial review by the physician or a voluntary admission to a mental institution; or

(II) Notwithstanding sub-sub-subparagraph (I), voluntary admission to a mental institution for outpatient or inpatient treatment of a person who had an involuntary examination under § 394.463, where each of the following conditions have been met:

(A) An examining physician found that the person is an imminent danger to himself or herself or others.

(B) The examining physician certified that if the person did not agree to voluntary treatment, a petition for involuntary outpatient or inpatient treatment would have been filed under § 394.463(2)(i)4., or the examining physician certified that a petition was filed and the person subsequently agreed to voluntary treatment prior to a court hearing on the petition.

(C) Before agreeing to voluntary treatment, the person received written notice of that finding and certification, and written notice that as a result of such finding, he or she may be prohibited from purchasing a firearm, and may not be eligible to apply for or retain a concealed weapon or firearms license under § 790.06 and the person acknowledged such notice in writing, in substantially the following form:

"I understand that the doctor who examined me believes I am a danger to myself or to others. I understand that if I do not agree to voluntary treatment, a petition will be filed in court to require me to receive involuntary treatment. I understand that if that petition is filed, I have the right to contest it. In the event a petition has been filed, I understand that I can subsequently agree to voluntary treatment prior to a court hearing. I understand that by agreeing to voluntary treatment in either of these situations, I may be prohibited from buying firearms and from applying for or retaining a concealed weapons or firearms license until I apply for and receive relief from that restriction under Florida law."

(D) A judge or a magistrate has, pursuant to sub-sub-subparagraph c.(II), reviewed the record of the finding, certification, notice, and written acknowledgment classifying the person as an imminent danger to himself or herself or others, and ordered that such record be submitted to the department.

c. In order to check for these conditions, the department shall compile and maintain an automated database of persons who are prohibited from purchasing a firearm based on court records of adjudications of mental defectiveness or commitments to mental institutions.

(I) Except as provided in sub-sub-subparagraph (II), clerks of court shall submit these records to the department within 1 month after the rendition of the adjudication or commitment. Reports shall be submitted in an automated format. The reports must, at a minimum, include the name, along with any known alias or former name, the sex, and the date of birth of the subject.

(II) For persons committed to a mental institution pursuant to sub-sub-subparagraph b.(II), within 24 hours after the person's agreement to voluntary admission, a record of the finding, certification, notice, and written acknowledgment must be filed by the administrator of the receiving or treatment facility, as defined in § 394.455, with the clerk of the court for the county in which the involuntary examination under § 394.463 occurred. No fee shall be charged for the filing under this sub-sub-subparagraph. The clerk must present the records to a judge or magistrate within 24 hours after receipt of the records. A judge or magistrate is required and has the lawful authority to review the records ex parte and, if the judge or magistrate determines that the record supports the classifying of the person as an imminent danger to himself or herself or others, to order that the record be submitted to the department. If a judge or magistrate orders the submittal of the record to the department, the record must be submitted to the department within 24 hours.

d. A person who has been adjudicated mentally defective or committed to a mental institution, as those terms are defined in this paragraph, may petition the court that made the adjudication or commitment, or the court that ordered that the record be submitted to the department pursuant to sub-sub-subparagraph c.(II), for relief from the firearm disabilities imposed by such adjudication or commitment. A copy of the petition shall be served on the state attorney for the county in which the person was adjudicated or committed. The state attorney may object to and present evidence relevant to the relief sought by the petition. The hearing on the petition may be open or closed as the petitioner may choose. The petitioner may present evidence and subpoena witnesses to appear at the hearing on the petition. The petitioner may confront and cross-examine witnesses called by the state attorney. A record of the hearing shall be made by a certified court reporter or by court-approved electronic means. The court shall make written findings of fact and conclusions of law on the issues before it and issue a final order. The court shall grant the relief requested in the petition if the court finds, based on the evidence presented with respect to the petitioner's reputation, the petitioner's mental health record and, if applicable, criminal history record, the circumstances surrounding the firearm disability, and any other evidence in the record, that the petitioner will not be likely to act in a manner that is dangerous to public safety and that granting the relief would not be contrary to the public interest. If the final order denies relief, the petitioner may not petition again for relief from firearm disabilities until 1 year after the date of the final order. The petitioner may seek judicial review of a final order denying relief in the district court of appeal having jurisdiction over the court that issued the order. The review shall be conducted de novo. Relief from a firearm disability granted under this sub-subparagraph has no effect on the loss of civil rights, including firearm rights, for any reason other than the particular adjudication of mental defectiveness or commitment to a mental institution from which relief is granted.

e. Upon receipt of proper notice of relief from firearm disabilities granted under sub-subparagraph d., the department shall delete any mental health record of the person granted relief from the automated database of persons who are prohibited from purchasing a firearm based on court records of adjudications of mental defectiveness or commitments to mental institutions.

f. The department is authorized to disclose data collected pursuant to this subparagraph to agencies of the Federal Government and other states for use exclusively in determining the lawfulness of a firearm sale or transfer. The department is also authorized to disclose this data to the Department of Agriculture and Consumer Services for purposes of determining eligibility for issuance of a concealed weapons or concealed firearms license and for determining whether a basis exists for revoking or suspending a previously issued license pursuant to § 790.06(10). When a potential buyer or transferee appeals a nonapproval based on these records, the clerks of court and mental institutions shall, upon request by the department, provide information to help determine whether the potential buyer or transferee is the same person as the subject of the record. Photographs and any other data that could confirm or negate identity must be made available to the department for such purposes, notwithstanding any other provision of state law to the contrary. Any such information

that is made confidential or exempt from disclosure by law shall retain such confidential or exempt status when transferred to the department.

(b) Inform the licensee making the inquiry either that records demonstrate that the buyer or transferee is so prohibited and provide the licensee a nonapproval number, or provide the licensee with a unique approval number.

(c)1. Review any records available to it to determine whether the potential buyer or transferee has been indicted or has had an information filed against her or him for an offense that is a felony under either state or federal law, or, as mandated by federal law, has had an injunction for protection against domestic violence entered against the potential buyer or transferee under § 741.30, has had an injunction for protection against repeat violence entered against the potential buyer or transferee under § 784.046, or has been arrested for a dangerous crime as specified in § 907.041(4)(a) or for any of the following enumerated offenses:

- a. Criminal anarchy under §§. 876.01 and 876.02.
- b. Extortion under § 836.05.
- c. Explosives violations under § 552.22(1) and (2).
- d. Controlled substances violations under chapter 893.
- e. Resisting an officer with violence under § 843.01.
- f. Weapons and firearms violations under this chapter.
- g. Treason under § 876.32.
- h. Assisting self-murder under § 782.08.
- i. Sabotage under § 876.38.
- j. Stalking or aggravated stalking under § 784.048.

If the review indicates any such indictment, information, or arrest, the department shall provide to the licensee a conditional non-approval number.

2. Within 24 working hours, the department shall determine the disposition of the indictment, information, or arrest and inform the licensee as to whether the potential buyer is prohibited from receiving or possessing a firearm. For purposes of this paragraph, "working hours" means the hours from 8 a.m. to 5 p.m. Monday through Friday, excluding legal holidays.

3. The office of the clerk of court, at no charge to the department, shall respond to any department request for data on the disposition of the indictment, information, or arrest as soon as possible, but in no event later than 8 working hours.

4. The department shall determine as quickly as possible within the allotted time period whether the potential buyer is prohibited from receiving or possessing a firearm.

5. If the potential buyer is not so prohibited, or if the department cannot determine the disposition information within the allotted time period, the department shall provide the licensee with a conditional approval number.

6. If the buyer is so prohibited, the conditional nonapproval number shall become a nonapproval number.

7. The department shall continue its attempts to obtain the disposition information and may retain a record of all approval numbers granted without sufficient disposition information. If the department later obtains disposition information which indicates:

a. That the potential buyer is not prohibited from owning a firearm, it shall treat the record of the transaction in accordance with this section; or

b. That the potential buyer is prohibited from owning a firearm, it shall immediately revoke the conditional approval number and notify local law enforcement.

8. During the time that disposition of the indictment, information, or arrest is pending and until the department is notified by the potential buyer that there has been a final disposition of the indictment, information, or arrest, the conditional nonapproval number shall remain in effect.

(3) In the event of scheduled computer downtime, electronic failure, or similar emergency beyond the control of the Department of Law Enforcement, the department shall immediately notify the licensee of the reason for, and estimated length of, such delay. After such notification, the department shall forthwith, and in no event later than the end of the next business day of the licensee, either inform the requesting licensee if its records demonstrate that the buyer or transferee is prohibited from receipt or possession of a firearm pursuant to Florida and Federal law or provide the licensee with a unique approval number. Unless notified by the end of said next business day that the buyer or transferee is so prohibited, and without regard to whether she or he has received a unique approval number, the licensee may complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

(4)(a) Any records containing any of the information set forth in subsection (1) pertaining to a buyer or transferee who is not found to be prohibited from receipt or transfer of a firearm by reason of Florida and federal law which records are created by the Department of Law Enforcement to conduct the criminal history record check shall be confidential and exempt from the provisions of § 119.07(1) and may not be disclosed by the Department of Law Enforcement or any officer or employee thereof to any person or to another agency. The Department of Law Enforcement shall destroy any such records forthwith after it communicates the approval and nonapproval numbers to the licensee and, in any event, such records shall be destroyed within 48 hours after the day of the response to the licensee's request.

(b) Notwithstanding the provisions of this subsection, the Department of Law Enforcement may maintain records of NCIC transactions to the extent required by the Federal Government, and may maintain a log of dates of requests for criminal history records checks, unique approval and nonapproval numbers, license identification numbers, and transaction numbers corresponding to such dates for a period of not longer than 2 years or as otherwise required by law.

(c) Nothing in this chapter shall be construed to allow the State of Florida to maintain records containing the names of purchasers or transferees who receive unique approval numbers or to maintain records of firearm transactions.

(d) Any officer or employee, or former officer or employee of the Department of Law Enforcement or law enforcement agency who intentionally and maliciously violates the provisions of this subsection commits a felony of the third degree punishable as provided in § 775.082 or § 775.083.

(5) The Department of Law Enforcement shall establish a toll-free telephone number which shall be operational 7 days a week with the exception of Christmas Day and New Year's Day, for a period of 12 hours a day beginning at 9 a.m. and ending at 9 p.m., for purposes of responding to inquiries as described in this section from licensed manufacturers, licensed importers, and licensed dealers. The Department of Law Enforcement shall employ and train such personnel as are necessary expeditiously to administer the provisions of this section.

(6) Any person who is denied the right to receive or purchase a firearm as a result of the procedures established by this section may request a criminal history records review and correction in accordance with the rules promulgated by the Department of Law Enforcement.

(7) It shall be unlawful for any licensed dealer, licensed manufacturer, or licensed importer willfully and intentionally to request criminal history record information under false pretenses, or willfully and intentionally to disseminate criminal history record information to any person other than the subject of such information. Any person convicted of a violation of this subsection commits a felony of the third degree punishable as provided in § 775.082 or § 775.083.

(8) The Department of Law Enforcement shall promulgate regulations to ensure the identity, confidentiality, and security of all records and data provided pursuant to this section.

(9) This section shall become effective at such time as the Department of Law Enforcement has notified all licensed importers, licensed manufacturers, and licensed dealers in writing that the procedures and toll-free number described in this section are operational. This section shall remain in effect only during such times as the procedures described in subsection (2) remain operational.

(10) A licensed importer, licensed manufacturer, or licensed dealer is not required to comply with the requirements of this section in the event of:

(a) Unavailability of telephone service at the licensed premises due to the failure of the entity which provides telephone service in the state, region, or other geographical area in which the licensee is located to provide telephone service to the premises of the licensee due to the location of said premises; or the interruption of telephone service by reason of hurricane, tornado, flood, natural disaster, or other act of God, war, invasion, insurrection, riot, or other bona fide emergency, or other reason beyond the control of the licensee; or

(b) Failure of the Department of Law Enforcement to comply with the requirements of subsections (2) and (3).

(11) Compliance with the provisions of this chapter shall be a complete defense to any claim or cause of action under the laws of any state for liability for damages arising from the importation or manufacture, or the subsequent sale or transfer to any person who has been convicted in any court of a crime punishable by imprisonment for a term exceeding 1 year, of any firearm which has been shipped or transported in interstate or foreign commerce. The Department of Law Enforcement, its agents and employees shall not be liable for any claim or cause of action under the laws of any state for liability for damages arising from its actions in lawful compliance with this section.

(12)(a) Any potential buyer or transferee who willfully and knowingly provides false information or false or fraudulent identification commits a felony of the third degree punishable as provided in § 775.082 or § 775.083.

(b) Any licensed importer, licensed manufacturer, or licensed dealer who violates the provisions of subsection (1) commits a felony of the third degree punishable as provided in § 775.082 or § 775.083.

(c) Any employee or agency of a licensed importer, licensed manufacturer, or licensed dealer who violates the provisions of subsection (1) commits a felony of the third degree punishable as provided in § 775.082 or § 775.083.

(3) It is unlawful and punishable as provided in subsection (4) for any person who is under the influence of alcoholic beverages, any chemical substance set forth in § 877.111, or any substance controlled under chapter 893, when affected to the extent that his or her normal faculties are impaired, to use a firearm in this state.

(a) If there was at that time 0.05 percent or less by weight of alcohol in the person’s blood, it shall be presumed that the person was not under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

(b) If there was at that time in excess of 0.05 percent but less than 0.10 percent by weight of alcohol in the person’s blood, such fact shall not give rise to any presumption that the person was or was not under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired, but such fact may be considered with other competent evidence in determining whether the person was under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

(c) If there was at that time 0.10 percent or more by weight of alcohol in the person’s blood, that fact shall be prima facie evidence that the person was under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

The percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 milliliters of blood. The foregoing provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the person was under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

(3) A chemical analysis of a person’s blood to determine its alcoholic content or a chemical or physical analysis of a person’s breath, in order to be considered valid under the provisions of this section, must have been performed substantially in accordance with methods approved by the Florida Department of Law Enforcement and by an individual possessing a valid permit issued by the department for this purpose. Any insubstantial differences between approved

techniques and actual testing procedures in an individual case shall not render the test or test results invalid. The Florida Department of Law Enforcement may approve satisfactory techniques or methods, ascertain the qualification and competence of individuals to conduct such analyses, and issue permits which shall be subject to termination or revocation in accordance with rules adopted by the department.

(4) Any person charged with using a firearm while under the influence of alcoholic beverages or controlled substances to the extent that his or her normal faculties were impaired, whether in a municipality or not, shall be entitled to trial by jury according to the Florida Rules of Criminal Procedure.

However, nothing in this act shall prohibit the right of a person aggrieved under this act to bring a civil action for violation of rights protected under the act. 790.33 Field of regulation of firearms and ammunition preempted.—

(1) PREEMPTION.—Except as expressly provided by the State Constitution or general law, the Legislature hereby declares that it is occupying the whole field of regulation of firearms and ammunition, including the purchase, sale, transfer, taxation, manufacture, ownership, possession, storage, and transportation thereof, to the exclusion of all existing and future county, city, town, or municipal ordinances or any administrative regulations or rules adopted by local or state government relating thereto. Any such existing ordinances, rules, or regulations are hereby declared null and void.

(2) POLICY AND INTENT.—

(a) It is the intent of this section to provide uniform firearms laws in the state; to declare all ordinances and regulations null and void which have been enacted by any jurisdictions other than state and federal, which regulate firearms, ammunition, or components thereof; to prohibit the enactment of any future ordinances or regulations relating to firearms, ammunition, or components thereof unless specifically authorized by this section or general law; and to require local jurisdictions to enforce state firearms laws.

(b) It is further the intent of this section to deter and prevent the violation of this section and the violation of rights protected under the constitution and laws of this state related to firearms, ammunition, or components thereof, by the abuse of official authority that occurs when enactments are passed in violation of state law or under color of local or state authority.

(3) PROHIBITIONS; PENALTIES.—

(a) Any person, county, agency, municipality, district, or other entity that violates the Legislature's occupation of the whole field of regulation of firearms and ammunition, as declared in subsection (1), by enacting or causing to be enforced any local ordinance or administrative rule or regulation impinging upon such exclusive occupation of the field shall be liable as set forth herein.

(b) If any county, city, town, or other local government violates this section, the court shall declare the improper ordinance, regulation, or rule invalid and issue a permanent injunction against the local government prohibiting it from enforcing such ordinance, regulation, or rule. It is no defense that in enacting the ordinance, regulation, or rule the local government was acting in good faith or upon advice of counsel.

(c) If the court determines that a violation was knowing and willful, the court shall assess a civil fine of up to \$5,000 against the elected or appointed local government official or officials or administrative agency head under whose jurisdiction the violation occurred.

(d) Except as required by applicable law, public funds may not be used to defend or reimburse the unlawful conduct of any person found to have knowingly and willfully violated this section.

(e) A knowing and willful violation of any provision of this section by a person acting in an official capacity for any entity enacting or causing to be enforced a local ordinance or administrative rule or regulation prohibited under paragraph (a) or otherwise under color of law shall be cause for termination of employment or contract or removal from office by the Governor.

(f) A person or an organization whose membership is adversely affected by any ordinance, regulation, measure, directive, rule, enactment, order, or policy promulgated or caused to be enforced in violation of this section may file suit against any county, agency, municipality, district, or other entity in any court of this state having jurisdiction over any defendant to the suit for declaratory and injunctive relief and for actual damages, as limited herein, caused by the violation. A court shall award the prevailing plaintiff in any such suit:

1. Reasonable attorney's fees and costs in accordance with the laws of this state, including a contingency fee multiplier, as authorized by law; and

2. The actual damages incurred, but not more than \$100,000.

Interest on the sums awarded pursuant to this subsection shall accrue at the legal rate from the date on which suit was filed.

(4) EXCEPTIONS.—This section does not prohibit:

(e) The Florida Fish and Wildlife Conservation Commission from regulating the use of firearms or ammunition as a method of taking wildlife and regulating the shooting ranges managed by the commission.

(5) SHORT TITLE.—As created by chapter 87-23, Laws of Florida, this section may be cited as the "Joe Carlucci Uniform Firearms Act."

790.331 Prohibition of civil actions against firearms or ammunition manufacturers, firearms trade associations, firearms or ammunition distributors, or firearms or ammunition dealers.—

(1) The Legislature finds and declares that the manufacture, distribution, or sale of firearms and ammunition by manufacturers, distributors, or dealers duly licensed by the appropriate federal and state authorities is a lawful activity and is not unreasonably dangerous, and further finds that the unlawful use of firearms and ammunition, rather than their lawful manufacture, distribution, or sale, is the proximate cause of injuries arising from their unlawful use.

(2) Except as permitted by this section, a legal action against a firearms or ammunition manufacturer, firearms trade association, firearms or ammunition distributor, or firearms or ammunition dealer on behalf of the state or its agencies and instrumentalities, or on behalf of a county, municipality, special district, or any other political subdivision or agency of the state, for damages, abatement, or injunctive relief resulting from or arising out of the lawful design, marketing, distribution, or sale of firearms or ammunition to the public is prohibited. However, this subsection does not preclude a natural person from bringing an action against a firearms or ammunition manufacturer, firearms trade association, firearms or ammunition distributor, or firearms or ammunition dealer for breach of a written contract, breach of an express warranty, or injuries resulting from a defect in the materials or workmanship in the manufacture of a firearm or ammunition.

(3) A county, municipality, special district, or other political subdivision or agency of the state may not sue for or recover from a firearms or ammunition manufacturer, firearms trade association, firearms or ammunition distributor, or firearms or ammunition dealer damages, abatement, or injunctive relief in any case that arises out of or results from the lawful design, marketing, distribution, or sale of firearms or ammunition to the public.

(4) This section does not prohibit an action against a firearms or ammunition manufacturer, distributor, or dealer for:

(a) Breach of contract or warranty in connection with a firearm or ammunition purchased by a county, municipality, special district, or other political subdivision or agency of the state.

(b) Injuries resulting from the malfunction of a firearm or ammunition due to a defect in design or manufacture.

(5)(a) For the purposes of this section, the potential of a firearm or ammunition to cause serious injury, damage, or death as a result of normal function does not constitute a defective condition of the product.

(b) A firearm or ammunition may not be deemed defective on the basis of its potential to cause serious injury, damage, or death when discharged legally or illegally.

(6)(a) If a civil action is brought in violation of this section, the defendant may recover all expenses resulting from such action from the governmental entity bringing such action.

(b) In any civil action where the court finds that the defendant is immune as provided in this section, the court shall award the defendant all attorney's fees, costs and compensation for loss of income, and expenses incurred as a result of such action.

(7) This section applies to any action brought on or after the effective date of this section.

(e) "Environmental management practices" includes but is not limited to Best Management Practices for Environmental Stewardship of Florida Shooting Ranges as developed by the Department of Environmental Protection. Such practices include, but are not limited to, control and containment of projectiles, prevention of the migration of projectiles and their constituents to ground and surface water, periodic removal and recycling of projectiles, and documentation of actions taken.

(f) "Environment" means the air, water, surface water, sediment, soil, and groundwater and other natural and manmade resources of this state.

(g) "User" means any person, partner, joint venture, business or social entity, or corporation, or any group of the foregoing, organized or united for a business, sport, or social purpose.

(4) DUTIES.—

(a) No later than January 1, 2005, the department shall make a good faith effort to provide copies of the Best Management Practices for Environmental Stewardship of Florida Shooting Ranges to all owners or operators of sport shooting or training ranges. The department shall also provide technical assistance with implementing environmental management practices, which may include workshops, demonstrations, or other guidance, if any owner or operator of sport shooting or training ranges requests such assistance.

(b) No later than January 1, 2006, sport shooting or training range owners, operators, tenants, or occupants shall implement situation appropriate environmental management practices.

(c) If contamination is suspected or identified by any owner, operator, tenant, or occupant of sport shooting or training ranges, any owner, operator, tenant, or occupant of sport shooting or training ranges may request that the department assist with or perform contamination assessment, including, but not limited to, assistance preparing and presenting a plan to confirm the presence and extent of contamination.

(d) If contamination is suspected or identified by a third-party complaint or adjacent property sampling events, the department shall give 60 days' notice to the sport shooting or training range owner, operator, tenant, or occupant of the department's intent to enter the site for the purpose of investigating potential sources of contamination. The department may assist with or perform contamination assessment, including, but not limited to, assistance preparing and presenting a plan to confirm the presence and extent of contamination.

(e) If the department confirms contamination under paragraph (c) or paragraph (d), principles of risk-based corrective action pursuant to § 376.30701 shall be applied to sport shooting or training ranges. Application of the minimum risk-based corrective action principles shall be the primary responsibility of the sport shooting range or training range owner or operator for implementation, however, the department may assist in these efforts. Risk-based corrective action plans used for these cleanups shall be based upon the presumption that the sport shooting or training range is an industrial use and not a residential use and will continue to be operated as a sport shooting or training range.

(5) SPORT SHOOTING AND TRAINING RANGE PROTECTION.—

(a) Notwithstanding any other provision of law, any public or private owner, operator, employee, agent, contractor, customer, lender, insurer, or user of any sport shooting or training range located in this state shall have immunity from lawsuits and other legal actions from the state and any of its agencies, special purpose districts, or political subdivisions for any claims of any kind associated with the use, release, placement, deposition, or accumulation of any projectile in the

environment, on or under that sport shooting or training range, or any other property over which the range has an easement, leasehold, or other legal right of use, if the sport shooting or training range owner or operator has made a good faith effort to comply with subsection (4).

(b) Nothing in this act is intended to impair or diminish the private property rights of owners of property adjoining a sport shooting or training range.

(c) The sport shooting and training range protections provided by this act are supplemental to any other protections provided by general law.

(6) WITHDRAWALS OF CLAIMS AND RECOVERY OF EXPENSES AND ATTORNEY'S FEES.—

(a) Within 90 days after the effective date of this act becoming law, all claims by the state and any of its agencies, special purpose districts, or political subdivisions against sport shooting or training ranges pending in any court of this state or before any administrative agency on January 1, 2004, shall be withdrawn. The termination of such cases shall have no effect on the defendant's cause of action for damages, reasonable attorney's fees, and costs.

(b) In any action filed in violation of this act after the effective date of this act, the defendant shall recover all expenses resulting from such action from the governmental body, person, or entity bringing such unlawful action.

(7) PENALTIES.—Any official, agent, or employee of a county, municipality, town, special purpose district, or other political subdivision or agent of the state, while he or she was acting in his or her official capacity and within the scope of his or her employment or office, who intentionally and maliciously violates the provisions of this section or is party to bringing an action in violation of this section commits a misdemeanor of the first degree, punishable as provided in §§ 775.082 and 775.083.

(8) PREEMPTION.—Except as expressly provided by general law, the Legislature hereby declares that it is occupying the whole field of regulation of firearms and ammunition use at sport shooting and training ranges, including the environmental effects of projectile deposition at sport shooting and training ranges.

(9) The provisions of this act shall supersede any conflicting provisions of chapter 376 or chapter 403.

(10) CONSTRUCTION.—This act shall be liberally construed to effectuate its remedial and deterrent purposes.

790.335 Prohibition of registration of firearms; electronic records.—

(2) PROHIBITIONS.—No state governmental agency or local government, special district, or other political subdivision or official, agent, or employee of such state or other governmental entity or any other person, public or private, shall knowingly and willfully keep or cause to be kept any list, record, or registry of privately owned firearms or any list, record, or registry of the owners of those firearms.

(3) EXCEPTIONS.—The provisions of this section shall not apply to:

(a) Records of firearms that have been used in committing any crime.

(b) Records relating to any person who has been convicted of a crime.

(c) Records of firearms that have been reported stolen that are retained for a period not in excess of 10 days after such firearms are recovered. Official documentation recording the theft of a recovered weapon may be maintained no longer than the balance of the year entered, plus 2 years.

(d) Firearm records that must be retained by firearm dealers under federal law, including copies of such records transmitted to law enforcement agencies. However, no state governmental agency or local government, special district, or other political subdivision or official, agent, or employee of such state or other governmental entity or any other person, private or public, shall accumulate, compile, computerize, or otherwise collect or convert such written records into any form of list, registry, or database for any purpose.

(e)1. Records kept pursuant to the recordkeeping provisions of § 790.065; however, nothing in this section shall be construed to authorize the public release or inspection of records that are made confidential and exempt from the provisions of § 119.07(1) by § 790.065(4)(a).

2. Nothing in this paragraph shall be construed to allow the maintaining of records containing the names of purchasers or transferees who receive unique approval numbers or the maintaining of records of firearm transactions.

(f) Firearm records, including paper pawn transaction forms and contracts on firearm transactions, required by chapters 538 and 539.

1. Electronic firearm records held pursuant to chapter 538 may only be kept by a secondhand dealer for 30 days after the date of the purchase of the firearm by the secondhand dealer.

2. Electronic firearm records held pursuant to chapter 539 may only be kept by a pawnbroker for 30 days after the expiration of the loan that is secured by a firearm or 30 days after the date of purchase of a firearm, whichever is applicable.

3. Except as required by federal law, any firearm records kept pursuant to chapter 538 or chapter 539 shall not, at any time, be electronically transferred to any public or private entity, agency, business, or enterprise, nor shall any such records be copied or transferred for purposes of accumulation of such records into lists, registries, or databases.

4. Notwithstanding subparagraph 3., secondhand dealers and pawnbrokers may electronically submit firearm transaction records to the appropriate law enforcement agencies as required by chapters 538 and 539; however, the law enforcement agencies may not electronically submit such records to any other person or entity and must destroy such records within 60 days after receipt of such records.

5. Notwithstanding subparagraph 3., secondhand dealers and pawnbrokers may electronically submit limited firearms records consisting solely of the manufacturer, model, serial number, and caliber of pawned or purchased firearms to a third-party private provider that is exclusively incorporated, exclusively owned, and exclusively operated in the United

States and that restricts access to such information to only appropriate law enforcement agencies for legitimate law enforcement purposes. Such records must be destroyed within 30 days by the third-party provider. As a condition of receipt of such records, the third-party provider must agree in writing to comply with the requirements of this section. Any pawnbroker or secondhand dealer who contracts with a third-party provider other than as provided in this act or electronically transmits any records of firearms transactions to any third-party provider other than the records specifically allowed by this paragraph commits a felony of the second degree, punishable as provided in § 775.082 or § 775.083.

Such records may not be sold, commingled with records relating to other firearms, or transferred to any other person or entity. The insurer may not keep a record of such firearm more than 60 days after the policy of insurance expires or after notification by the insured that the insured is no longer the owner of such firearm.

(i) Lists of customers of a firearm dealer retained by such dealer, provided that such lists do not disclose the particular firearms purchased. Such lists, or any parts thereof, may not be sold, commingled with records relating to other firearms, or transferred to any other person or entity.

(j) Sales receipts retained by the seller of firearms or by a person providing credit for such purchase, provided that such receipts shall not serve as or be used for the creation of a database for registration of firearms.

(k) Personal records of firearms maintained by the owner of such firearms.

(l) Records maintained by a business that stores or acts as the selling agent of firearms on behalf of the lawful owner of the firearms.

(m) Membership lists of organizations comprised of firearm owners.

(n) Records maintained by an employer or contracting entity of the firearms owned by its officers, employees, or agents, if such firearms are used in the course of business performed on behalf of the employer.

(o) Records maintained pursuant to § 790.06 by the Department of Agriculture and Consumer Services of a person who was a licensee within the prior 2 years.

(4) PENALTIES.—

(a) Any person who, or entity that, violates a provision of this section commits a felony of the third degree, punishable as provided in § 775.082 or § 775.083.

(b) Except as required by the provisions of § 16, Art. I of the State Constitution or the Sixth Amendment to the United States Constitution, no public funds shall be used to defend the unlawful conduct of any person charged with a violation of this section, unless the charges against such person are dismissed or such person is determined to be not guilty at trial. Notwithstanding this paragraph, public funds may be expended to provide the services of the office of public defender or court-appointed conflict counsel as provided by law.

(c) The governmental entity, or the designee of such governmental entity, in whose service or employ a list, record, or registry was compiled in violation of this section may be assessed a fine of not more than \$5 million, if the court determines that the evidence shows that the list, record, or registry was compiled or maintained with the knowledge or complicity of the management of the governmental entity. The Attorney General may bring a civil cause of action to enforce the fines assessed under this paragraph.

(d) The state attorney in the appropriate jurisdiction shall investigate complaints of criminal violations of this section and, where evidence indicates a violation may have occurred, shall prosecute violators.

(5) ELECTRONIC RECORDS.—Secondhand dealers and pawnbrokers who electronically submit firearms transaction records to the appropriate law enforcement agencies as required by chapters 538 and 539 shall submit the name of the manufacturer and caliber information of each firearm in Florida Crime Information Center coding, and shall include the model and serial number of each firearm.

(6) CONSTRUCTION.—This section shall be construed to effectuate its remedial and deterrent purposes. This section may not be construed to grant any substantive, procedural privacy right or civil claim to any criminal defendant, and a violation of this section may not be grounds for the suppression of evidence in any criminal case.

790.336 Lists, records, or registries to be destroyed. Any list, record, or registry maintained or under construction on the effective date of this act shall be destroyed, unless prohibited by law, within 60 calendar days after this act becomes law. Thereafter, failure to destroy any such list, record, or registry may result in prosecution under this act.

790.338 Medical privacy concerning firearms; prohibitions; penalties; exceptions.—

- (1) A health care practitioner licensed under chapter 456 or a health care facility licensed under chapter 395 may not intentionally enter any disclosed information concerning firearm ownership into the patient's medical record if the practitioner knows that such information is not relevant to the patient's medical care or safety, or the safety of others.
- (2) A health care practitioner licensed under chapter 456 or a health care facility licensed under chapter 395 shall respect a patient's right to privacy and should refrain from making a written inquiry or asking questions concerning the ownership of a firearm or ammunition by the patient or by a family member of the patient, or the presence of a firearm in a private home or other domicile of the patient or a family member of the patient. Notwithstanding this provision, a health care practitioner or health care facility that in good faith believes that this information is relevant to the patient's medical care or safety, or the safety of others, may make such a verbal or written inquiry.
- (3) Any emergency medical technician or paramedic acting under the supervision of an emergency medical services medical director under chapter 401 may make an inquiry concerning the possession or presence of a firearm if he or she, in good faith, believes that information regarding the possession of a firearm by the patient or the presence of a firearm in the home or domicile of a patient or a patient's family member is necessary to treat a patient during the course and scope of a medical emergency or that the presence or possession of a firearm would pose an imminent danger or threat to the patient or others.
- (4) A patient may decline to answer or provide any information regarding ownership of a firearm by the patient or a family member of the patient, or the presence of a firearm in the domicile of the patient or a family member of the patient. A patient's decision not to answer a question relating to the presence or ownership of a firearm does not alter existing law regarding a physician's authorization to choose his or her patients.
- (5) A health care practitioner licensed under chapter 456 or a health care facility licensed under chapter 395 may not discriminate against a patient based solely upon the patient's exercise of the constitutional right to own and possess firearms or ammunition.
- (6) A health care practitioner licensed under chapter 456 or a health care facility licensed under chapter 395 shall respect a patient's legal right to own or possess a firearm and should refrain from unnecessarily harassing a patient about firearm ownership during an examination.
- (7) An insurer issuing any type of insurance policy pursuant to chapter 627 may not deny coverage, increase any premium, or otherwise discriminate against any insured or applicant for insurance on the basis of or upon reliance upon the lawful ownership or possession of a firearm or ammunition or the lawful use or storage of a firearm or ammunition. Nothing herein shall prevent an insurer from considering the fair market value of firearms or ammunition in the setting of premiums for scheduled personal property coverage.
- (8) Violations of the provisions of subsections (1)-(4) constitute grounds for disciplinary action under §§ 456.072(2) and 395.1055.

Broward County Code of Ordinances
Chapter 18: Law Enforcement
Article VI: Firearms Five-Day Waiting Period
Current through August 29, 2016

Sec. 18-96. - Waiting period; prohibition. There shall be a mandatory 5-day waiting period, which shall be 5 days, excluding weekends and legal holidays, in connection with the sale of firearms occurring within Broward County when the sale is a transfer of money or other valuable consideration, and any part of the sale transaction is conducted on property to which the public has the right of access. Some examples of properties to which the public has a right of access are: gun shows, firearm exhibits, wholesale and retail stores, and flea markets. No person shall transfer or receive a firearm to or from another person for five days from the hour of such sale, excluding weekends and legal holidays, when the sale is a transfer of money or other valuable consideration, and any part of the sale transaction is conducted on property to which the public has the right of access. An uninterrupted, continuous, and cumulative aggregate of 120 hours must elapse between such sale and receipt of the firearm, excluding the hours of weekends and legal holidays. A person who violates the prohibition of this Section is guilty of a violation of a county ordinance, punishable as provided in § 125.69, F.S. and the violation shall be prosecuted in the same manner as misdemeanors are prosecuted.

Sec. 18-97. - Criminal history records check; requirement; prohibition.

(a) Legislative intent. It is the intent of the Board of County Commissioners, in the exercise of its constitutionally-granted authority, to ensure that no firearm is sold, offered for sale, or transferred where any part of the transaction is conducted on property to which the public has a right of access unless a national criminal history background check is conducted. As of the dates of the enactment and effectiveness of this Ordinance, Florida statutory law only allows such checks to be performed for and by licensed dealers, licensed importers, and licensed manufacturers. Therefore, a buyer or seller who is not otherwise a licensed dealer, licensed importer, or licensed manufacturer must use a licensed dealer, licensed importer, or licensed manufacturer as an intermediary to ensure such checks are conducted.

(b) Requirement; prohibition. There shall be a mandatory national criminal history records check done in connection with the sale of firearms occurring within Broward County. No person shall transfer or receive a firearm when any part of the sale transaction is conducted on property to which the public has the right of access until all procedures and requirements of § 790.065, F.S. have been complied with by a person statutorily authorized to conduct background information checks, and an approval number has been obtained and documented, as provided by § 790.065, F.S. In case of repeal or amendment of § 790.065, F.S., no person shall transfer or receive a firearm by sale when any part of the sale transaction is conducted on property to which the public has the right of access until all procedures, requirements, and prohibitions set forth in other federal or state laws relating to background checks have been complied with by persons selling or buying firearms. A person who violates the prohibition of this Section is guilty of a violation of a county ordinance, punishable as provided in § 125.69, F.S. and the violation shall be prosecuted in the same manner as misdemeanors are prosecuted.

Sec. 18-98. - Non-applicability to holders of Florida concealed weapon permits. Pursuant to the Florida Constitution, when purchasing a firearm, holders of a Florida concealed weapon permit or license, as prescribed by general law, shall not be subject to the prohibitions and penalties of this article.

Sec. 18-99. - Penalty. Violation of a prohibition of this article shall be punishable by a fine not to exceed \$500 or by imprisonment in the county jail not to exceed 60 days or by both such fine and imprisonment. Each violation of a prohibition of this article relating to a specific firearm shall constitute a separate and individual violation. Nothing contained herein shall be construed to preempt the imposition of higher penalties imposed by state or federal law.

Sec. 75.2 - Local option. In accordance with the authority granted by the Article VIII, Section 5.(b) of the Constitution of the State of Florida, Martin County hereby requires a three-day waiting period, excluding weekends and legal holidays, in connection with the sale of any firearm occurring within Martin County. For purposes of this section, the term "sale" means the transfer of money or other valuable consideration for any firearm when any part of the transaction is conducted on property to which the public has the right of access.
