2. PREPARATION OF APPLICATION FOR TAX PAID TRANSFER AND REGISTRATION OF A FIREARM.

a. Reference §§65811 and 5812, National Firearms Act, United States Code, Chapter 53, persons seeking to transfer a firearm tax paid must complete, in duplicate, a separate application on this form for each firearm. The applicant transferor must furnish all the information called for on this application form.

b. If the transferor of a destructive device, machinegun, short-barreled shotgun or short-barreled rifle is a licensee under 18 U.S.C., Chapter 44, and the transferee is anyone other than a qualified licensee under the National Firearms Act (special (occupational) taxpayer), the transferee must complete item 2 (Applicant Certification) on the reverse side of ATF Form 1 (5320.4), Item 3 (Law Enforcement Certification) must be completed for the transfer of any NFA firearm to an individual other than a special (occupational) taxpayer.

c. If the transferee is an individual, including a collector licensed under 18 U.S.C., Chapter 44, in addition to satisfying the requirements of 2b above, a recent 2" x 2" photograph must be affixed in item 1 on the reverse of ATF Form 1 (5320.4) and completed FBI Form FD-258, Finger- print Card, must be submitted in duplicate. The fingerprints should be taken by a person qualified to do so, and must be clear, unamended and classifiable.

d. All signatures required on this form must be entered in ink on both copies. Photocopies or other facsimile signatures are not acceptable. It is preferred that the form be prepared by the use of a typewriter, using carbon paper to make an exact duplicate. Pen and ink may be used, but under no circumstances will a form filled in by use of a lead pencil be accepted. All changes made on this form must be initialed and dated.

e. If the transferee is acquiring the firearm as other than an individual, the trade name and business address should be shown in item 2 on the face of ATF Form 1 (5320.4). Firearms may not be acquired as a part of the business inventory of a firearms licensee who is not a special (occupational) taxpayer. In such case, the home address of the transferee should be shown.

f. If the firearm is being transferred from an estate, item 3a. should show the transferor as: Executor’s name, title (Executor or executrix, administrator, administrator of the estate of [name]), and the executor’s address. Item 3c. should reflect the last address of the decedent and date of death.

g. If any questions arise concerning the preparation of this form, please contact the NFA Branch, Bureau of Alcohol, Tobacco and Firearms, Washington, DC 20226 or the nearest Alcohol, Tobacco and Firearms office.

3. DISPOSITION OF APPLICATION FOR TRANSFER AND REGISTRATION OF FIREARM. The transferor will forward both copies of the form to the National Firearms Act Branch, Bureau of Alcohol, Tobacco and Firearms, P.O. Box 73301 Chicago, IL 60673-7301. This office will deposit the tax and forward the application to the Bureau of Alcohol, Tobacco and Firearms, National Firearms Act Branch, Washington, DC 20226 for processing. If approved, the original of the approved form will be returned to the transferor for delivery to the transferee with the firearm, and this office will retain the duplicate. Approval of this form will effect registration of the firearm to the transferee. The transferee shall not under any circumstances deliver the firearm to the transferee until the approved form is received. This form must be retained by the transferee and be available for inspection by Government officers until such time as the firearm may later be transferred after approval by this office. If the application is disapproved, the original with any accompanying check or money order, will be returned to the transferor with the reason for disapproval.

4. APPROVED TRANSFER NOT PHYSICALLY ACCOMPLISHED. The transferor should mark the front of the form “VOID,” sign and date the form and return the voided form to the Director. This will assure that the firearm will remain registered in the name of the transferor who submitted the application. Upon receipt of the voided form, instructions for obtaining a tax refund will be provided.

5. LATER TRANSFERS OF THE FIREARM. If the firearm is to be transferred later by the new owner, a new application form covering the proposed transfer must be filed with the Director.
INSTRUCTIONS (Continued)

6. RATE OF TAX ON THE TRANSFER OF A FIREARM. The tax on the transfer of a firearm is $200, except that the transfer tax is $50 on any firearm classified as "any other weapon" as defined in instruction 1b.

7. PERSONS PROHIBITED FROM RECEIVING FIREARMS. Under 18 U.S.C., Chapter 44 and Title VII of Public Law 90-351, as amended, (18 U.S.C., Appendix), the following persons are prohibited from receiving a firearm, including an untraceable firearm which has a frame or receiver: (1) fugitives from justice (any crime); (2) persons under indictment for, or who have been convicted of, a crime punishable by imprisonment, for a term exceeding 1 year; (3) narcotic addicts or unlawful drug users; (4) persons adjudicated mentally defective or mentally incompetent, or who have been committed to any mental institution; (5) veterans discharged under dishonorable conditions; (6) persons who have renounced their United States citizenship; (7) aliens illegally or unlawfully in the United States; and (8) where the transferee is a firearms licensee, persons under 21 years of age in the case of any firearm other than a shotgun or a rifle and under 18 years of age in the case of a shotgun or a rifle. In addition, section 5812 of the National Firearms Act requires that an application to transfer a firearm be denied if the transfer, receipt or possession of the firearm would place the transferee in violation of law. The term "law" in this statute includes Federal laws as well as State statutes and local ordinances applicable to the locality where the transferee resides.

8. INQUIRIES ABOUT STATUS OF A TRANSFER APPLICATION. The transfer application form will be reviewed and returned to the transferee promptly if additional information or corrections are required. However, because of the necessity for an FBI record check on an individual transferee's fingerprints, approximately 30 days must be allowed for processing such applications. Under the provisions of Section 6101(a), Title 26, United States Code, disclosure of any "return" or "return information" is generally prohibited to anyone except the person filing the return. Therefore, information about the status of a transfer application may be given only to the transferee. Such information cannot be divulged to the transferor.

9. PENALTIES. Any person who violates or fails to comply with any of the requirements of the National Firearms Act shall, upon conviction, be fined not more than $10,000 or be imprisoned for not more than 10 years, or both, in the discretion of the court. Moreover, any firearm involved in any violation of the provisions of the National Firearms Act or any regulations issued thereunder shall be subject to seizure and forfeiture. It is unlawful for any person to make or cause the making of a false entry on any application or record required by the National Firearms Act knowing such entry to be false.

NOTE: All provisions of Title I of the Gun Control Act must also be complied with, including the recordkeeping requirements for licenses and retention of ATF Form 4473 (5300.90) by licensees for dispensations to nonlicensees.

SPECIAL NOTE: A direct interstate transfer will be approved only to a licensee who is also a special (occupational) taxpayer qualified to deal in the particular type NFA firearm; or a government entity; or a lawful heir; or, in the case of a firearm which has been designated as a "curio or relic," to a licensed collector.

ATF FORM 5 (5320.5) (4-90)
INSTRUCTIONS (See 27 CFR Part 479)

Any person desiring to permanently export a firearm without payment of the transfer tax must submit ATF Form 9, in triplicate, to the Director, Bureau of Alcohol, Tobacco and Firearms, Washington, D.C. 20222, for a permit providing for the export of the firearm. No shipment may be made until that permit is received from the Director.

a. ATF Form 9 must be submitted until a State Department License for the exportation has been received by the applicant.

b. Part 1 of ATF Form 9 must be completed by the applicant and submitted to ATF with a certified copy of a written contract, order, or other evidence showing firearm is to be shipped to a foreign destination. The exporter's written certification attesting to that fact must appear on the documentation. If the applicant wishes to transfer the firearm(s) to another person who will export the firearm, the applicant must submit Form 9 with documentation that the transfer is a part of the exportation process.

c. The form must be completed by typewriter or pen and ink. Paraphernalia, facsimile or carbon copy signatures are unacceptable. Where the exporter is a Federal Firearms Licensee, only those individuals Form 7, Application for License, or an individual whom the licensee has certified to ATF as a responsible official, may sign as the authorizing official in Item 10, Part 1.

d. Applications approved by ATF will serve as the permit to export the firearm(s) described on the application.

e. In the event exportation is not effected, all copies of the Form must be immediately returned to ATF for cancellation. (27 CFR 179.116).

When the firearms are to be exported by other than parcel post, two copies each of the permit and the Shippers' Export Declaration (Commerce Form 7505-V), and a copy of the State Department License, must be submitted to the District Director of U.S. Customs Service at the port of exportation, as must precede or accompany the shipment in order to permit appropriate inspection prior to landing. The Customs official, after examining Part 3, will retain one copy of the permit and return one copy to the Director, Bureau of Alcohol, Tobacco and Firearms, NFA Branch, Washington, D.C. 20222, as provided in Customs Manual Supplement No. 3284.02 dated March 13, 1979.

When the firearms are to be exported by parcel post, one copy of the permit must be presented to the postmaster at the office receiving the parcel. The postmaster will execute Part 4 of ATF Form 9 and return the permit to the exporter.

Proof of exportation must be furnished by the exporter to ATF within a six-month period from date of issuance of the permit by ATF. Satisfactory evidence of exportation would be:

a. The certificate of exportation executed by a Customs Officer.

b. The certificate of mailing by parcel post executed by a postmaster.

c. A certificate of landing executed by a Customs officer of the foreign country to which the firearm is exported.

d. A sworn statement of the foreign consignee covering the receipt of the firearm.

e. A return receipt, or photostatic copy, signed by the addressee or an authorized agent of the addressee, if the shipment of a firearm was made by insured or registered parcel post.

Note: ATF receipt of the required documentation that the firearm(s) have been exported will relieve the transferee from the transfer tax liability. IF SATISFACTORY EVIDENCE IS NOT FURNISHED WITHIN THE STATED PERIOD, THE TRANSFER TAX WILL BE ASSESSED.

ACTION BY U.S. CUSTOMS SERVICE

Upon receipt of an approved ATF Form 9, in duplicate, the Customs official may order such inspection as deemed necessary prior to landing of the merchandise. One copy will be retained with the shipper's export declaration. Customs will forward the remaining copy to the Bureau of Alcohol, Tobacco and Firearms, NFA Branch, Washington, D.C. 20226.

1. If a firearm is registered to the person from whom you obtained it, that person may submit ATF Form 5 for the tax exempt transfer of the firearm to you, in lieu of your submission of ATF Form 10. If the transfer is approved, the restriction on further transfer of the firearm which applies to firearms registered on ATF Form 10 would not apply.

2. Title 27 CFR 179.106 provides that any state, any political subdivision thereof, or any official police organization of such a governmental entity engaged in criminal investigations which acquire for official use a National Firearms Act weapon not registered to it, such as by abandonment or by forfeiture, will register such firearm with the Director by filing ATF Form 10, Application for Registration of Firearms Acquired by Certain Governmental Entities, and that such registration shall become a part of the National Firearms Registration and Transfer Record. Registration of such firearms has been required since passage of the original National Firearms Act in 1934. On April 15, 1971, the Supreme Court decided in the matter of U.S. vs. Freed, et al., and noted that, "only possessors who lawfully make, manufacture, or import firearms can and must register them." However, in order to assist law enforcement agencies, while curtailing the flow of "gangster type" weapons into interstate commerce, the cited regulation was promulgated to permit the limited registration of firearms by governmental entities for official use only. Where registration of a firearm on this form by a governmental entity is approved, the Bureau will approve subsequent transfer of such firearm to another qualified governmental entity only, for official use. Otherwise, such firearm must be destroyed or abandoned to ATF.

INSTRUCTIONS

1. Preparation of this form.
   a. This form must be completed in duplicate. Photostatic copies of this form are not acceptable.
   b. Only one firearm may be listed on each form.
   c. It is preferred that the original and carbon copy be typed, although pen and ink entries are acceptable.
   d. The signature on each copy must be in ink. Pencilled, photostatic, or facsimile signatures are not acceptable.
   e. Serial Number - If the firearm being registered does not bear a serial number, please contact the nearest Alcohol, Tobacco and Firearms office to have an ATF serial number assigned and placed on the frame or receiver of the firearm prior to the submission of the form.

DEFINITIONS

The following types of firearms, whether serviceable or unserviceable, fall within the purview of the National Firearms Act and must be registered to the possessor to be lawfully possessed:

1. Short-barreled shotgun - Shotguns with barrels less than 18 inches long or any weapon made from a shotgun having an overall length of less than 26 inches or a barrel less than 18 inches in length.

2. Short-barreled rifle - Rifles with barrels less than 16 inches long. This includes a pistol with a shoulder stock unless it has been specifically exempted; or any weapon made from a rifle having an overall length of less than 26 inches or a barrel less than 16 inches in length.

3. Any other weapon - Any other weapon, except a conventional pistol or revolver having a rifled bore, capable of firing a shot and being concealed on the person. Examples include: "pen" guns ostensibly designed to expel tear gas but which fire fixed ammunition, H & R Handy Guns; Ithaca Auto-Burglar guns; cane guns; and gadget-type firearms.

4. Machinegun - Any weapon which shoots, is designed to shoot, or can be readily restored to shoot, automatically more than one shot, without manual reloading, by a single function of the trigger. The term also includes the frame or receiver of any such weapon, any combination of parts designed and intended for use in converting a weapon into a machinegun, and any combination of parts from which a machinegun can be assembled if such parts are in the possession or under the control of a person.

5. Destructive device - Destructive devices include explosive, incendiary (including so called "molotov cocktails") or poison gas bombs, grenades, rockets, missiles, mines, and similar devices. Included in this category are anti-tank guns, bazookas and mortars and other military-type weapons with a bore of more than one-half inch diameter, other than a sporting shotgun or shotgun ammunition.

6. Muffler or silencer - A muffler or silencer for any firearm whether or not such a firearm is included within this listing.

ATF F 5530.7, SPECIAL TAX REGISTRATION AND RETURN
FIREARMS

GENERAL INSTRUCTIONS

If you are engaged in one or more of the National Firearms Act (NFA) activities listed on this form (see definition), you are required to file this form and pay the occupational tax before beginning business. This form is for NFA taxpayers only. Businesses engaged in alcohol and tobacco related activities subject to special tax should use ATF F 5500.5. You may file one return to cover several locations or several types of activity. However, you must submit a separate return for each tax period. The special occupational tax period runs from July 1 through June 30 and payment is due annually by July 1. If you do not pay on a timely basis interest will be charged and penalties may be incurred.

If you engage in a taxable activity at more than one location, attach to your return a sheet showing your name, trade name, address and employer identification number and the complete street addresses of all additional locations.

As evidence of tax payment, you will be issued a Special Tax Stamp. ATF F 5530.6A, for each location and/or business. You must have a Federal Firearms License (FFL) for the location, appropriate to the type of activity conducted. The type of business (sole proprietor, partnership, corporation) must be the same for the taxable activity and the FFL. If a trade name is used, it must be the same on the tax stamp and the FFL.

The special tax rates listed on this form became effective January 1, 1969. If you were engaged in NFA firearms related activity prior to this date and did not pay special occupational tax, please contact the ATF National Revenue Center for assistance.

SECTION I - TAX IDENTIFYING INFORMATION

Complete Section I. Taxpayer Identifying Information, as specified on the form. Enter the tax period covered by the return in the space provided. Your return must contain a valid EMPLOYER IDENTIFICATION NUMBER (EIN). The EIN is a unique number for business entities issued by the Internal Revenue Service (IRS). You must have an EIN whether you are an individual, partnership, corporation, or agency of the government. If you do not have an EIN, contact your local IRS office immediately to obtain one. While ATF may assign a temporary identification number (beginning with 700) to allow initial processing of a return which lacks an EIN, a tax stamp will not be issued until you have submitted a valid EIN. Do not delay submission of your return and payment past the due date pending receipt of your EIN. If you have not received a number by the time you file this return, write "number applied for" in the space for the number. Submit your return by separate correspondence after receipt from the IRS.

SECTION II - TAX COMPUTATION

To complete Section II, enter the number of locations in Col. (d) on the appropriate line(s) and multiply by the tax rate, Col. (c), the tax due in Col. (a). Compute the taxes due for each class and enter the total amount due in the block "Total Tax Due".

INSTRUCTIONS FOR REDUCED RATE TAXPAYERS

The reduced rates for certain tax classes, indicated with an asterisk (*) in Section II, apply only to those taxpayers whose total gross receipts for your most recent income tax year are less than $500,000. (not just receipts relating in the activity subject to special occupational tax). However, if you are a member of a controlled group as defined in section 561(b)(3) of the Internal Revenue Code, you are not eligible for this reduced rate unless the total gross receipts for the group are less than $500,000. If your business is beginning an activity subject to special tax for the first time, you may qualify for a reduced rate in your initial tax year if gross receipts for the business (or the entire control group, if a member of a control group) were under $500,000 the previous year. If you are eligible for the reduced rate, check form 12 in Section III and compute your tax using the reduced rate in Section II.
