

# Curios or Relics List — January 1972 through April 2018

Dear Collector,

*The Firearms and Ammunition Technology Division (FATD) is pleased to provide you with a complete list of firearms curios or relics classifications from the previous editions of the Firearms Curios or Relics (C&R) List, ATF P 5300.11, combined with those made by FATD through April 2018. Further, we hope that this electronic edition of the Firearms Curios or Relics List, ATF P 5300.11, proves useful for providing an overview of regulations applicable to licensed collectors and ammunition classified as curios or relics. Please note that ATF is no longer publishing a hard copy of the C&R List.*
