(iii) A statement that the applicant has been furnished a copy of this section and is knowledgeable of its provisions;

(iv) A conspicuous warning that the application is executed under oath and that a materially false answer to any question or the submission of any materially false document by the applicant may result in denial or revocation of a permit and subjects the applicant to criminal prosecution under W.S. 6-5-303.

(e) The applicant shall submit to the division through the sheriff's office in the county of the applicant's residence:

(i) A completed application as described in subsection (d) of this section or, if applicable, subsection (cc) of this section;

(ii) A nonrefundable permit fee of \$50, if he has not previously been issued a statewide permit, or a nonrefundable permit fee of \$50 for renewal of a permit;

The division shall submit a fingerprint card to the federal bureau of investigation for a national background check. The cost of processing the fingerprints shall be payable to the division.

(g) The sheriff of the applicant's county of residence shall submit a written report to the division containing any information that he feels may be pertinent to the issuance of a permit to any applicant. The written report shall state facts known to the sheriff which establish reasonable grounds to believe that the applicant has been or is reasonably likely to be a danger to himself or others, or to the community at large as a result of the applicant's mental or psychological state, as demonstrated by a past pattern or practice of behavior, or participation in incidents involving a controlled substance, alcohol abuse, violence or threats of violence as these incidents relate to criteria listed in this section. The written report shall be made within 30 days after the date the sheriff receives the copy of the application. The sheriff of the applicant's county of residence shall notify the chief of police, if any, of the applicant's place of residence of the application for a concealed firearm permit by the applicant. The chief of police shall submit written comments to the division under the guidelines prescribed in this section. Submitted comments shall not be considered a public record.

(h) The sheriff of the applicant's county of residence may, at his discretion, submit a written report to the division recommending immediate issuance of a concealed firearm permit prior to the mandatory fingerprint processing. The written recommendation shall specifically state that the sheriff has personal knowledge that the applicant is qualified to be issued a permit.

(j) The sheriff of the applicant's county of residence may, at his discretion, submit a written report to the division recommending the issuance of a concealed firearm permit to an applicant between 18 and 21 years of age who meets the requirements specified in this section. The written recommendation shall specifically state that the sheriff has personal knowledge of the applicant's situation or circumstances which warrant the issuance of a concealed firearm permit. The division may issue a permit to carry a concealed firearm to those individuals between 18 and 21 years of age under circumstances that a reasonable, prudent person would believe warrant the issuance of a permit to carry a concealed firearm. The decision to issue a concealed firearm permit shall be based on the satisfactory completion of the requirements of this section and any voluntary written report offered by the sheriff of the county of the applicant's residence which shall clearly state the reasons the applicant should be issued a permit. The applicant may submit a written report containing relevant facts for consideration by the division.

(k) An applicant shall pay the cost of fingerprinting services for 1 set of fingerprints and shall not be charged for any additional services necessary to obtain a legible set of fingerprints.

(m) The division shall, within 60 days after the date of receipt of the items listed in subsection (e) of this section, either:

(i) Issue the permit; or

(ii) Deny the application based on the ground that the applicant fails to qualify under the criteria listed in this section or upon reasonable grounds for denial specified under subsection (g) of this section. If the division denies the application, it shall notify the applicant in writing, stating the grounds for denial and informing the applicant of a right to submit, within 30 days, any additional documentation relating to the grounds of denial. Upon receiving any additional

documentation, the division shall reconsider its decision and inform the applicant within 20 days of the result of the reconsideration. The applicant shall further be informed of the right to seek review of the denial in the district court pursuant to the Wyoming Administrative Procedure Act, W.S. 16-3-101 through 16-3-115. No person who is denied a permit under this section shall carry a concealed firearm under a permit issued in another state, so long as he remains a resident of this state, and he remains ineligible for a permit in this state.

(n) The division shall maintain an automated listing of permit holders and pertinent information, and the information shall be available on-line, upon request, at all times to all Wyoming law enforcement agencies.

(o) Within 30 days after the changing of a permanent address, or within 30 days after the loss or destruction of a permit, the permittee, including any permittee under paragraph (a)(iii) of this section, shall so notify the division. Violation of this subsection may result in cancellation or revocation of the permit.

(p) In the event that a permit is lost or destroyed, the permit shall be automatically invalid, and the person to whom the same was issued may, upon payment of a \$5 fee to the division, obtain a duplicate, upon furnishing a notarized statement to the division that the permit has been lost or destroyed.

(q) A permit issued under this section shall be revoked by the division:

(i) If the permittee becomes ineligible to be issued a permit under the criteria set forth in this section; or

(ii) For any conviction of any offense involving a controlled substance, alcohol abuse while carrying a concealed weapon or any crime of violence or a plea of nolo contendere to any of these crimes.

(s) The permittee may renew his permit on or before the expiration date by filing with the sheriff of the applicant's county of residence the renewal form, a notarized affidavit stating that the permittee remains qualified pursuant to the criteria specified in this section, and the required renewal fee. The permit shall be renewed to a qualified applicant upon receipt of the completed renewal application, appropriate payment of fees and the division shall verify that the criminal history information available to the division does not indicate that possession of a firearm by the applicant would constitute a violation of state or federal law. A permittee who fails to file a renewal application on or before its expiration date shall renew his permit by paying a late fee of \$10, but no late fee shall be charged for permits renewed by deployed armed force members through the additional renewal period under subsection (cc) of the section. Subject to subsection (cc) of this section, no permit shall be renewed 6 months or more after its expiration date, and the permit shall be deemed to be permanently expired. A person whose permit has permanently expired may reapply for a permit pursuant to subsections (b) through (e) of this section.

A sheriff, police chief, employee of a sheriff or police chief's office shall not be personally liable for damages in a civil action arising from any information submitted pursuant to subsections (g) through

(j) of this section. Nothing in this section shall relieve any governmental entity of any liability pursuant to W.S. 1-39-101 through 1-39-120 [1-39-101 through 1-39-121].

(bb) No list or other record maintained by the division or other law enforcement agency pursuant to this section, which identifies an individual applicant or permittee shall be considered a public record. An expired permit which is not renewed prior to the end of the extended period provided in this subsection shall be deemed to be permanently expired as provided in subsection (s) of this section. Except as provided in this subsection, requirements for applications for all renewals under this subsection shall be the same as those required for non-late renewals under subsection (s) of this section, together with verification of active military status, deployment outside the United States, termination of deployment outside the United States and marital status, all as applicable and as required by rule of the attorney general.
