

Supplemental Information on Water Quality Considerations

Instructions

- Completing the form.** Answer all items in sufficient detail if applicable to your activity. If necessary, continue on reverse side of this form or a separate sheet. Your answers are evaluated to determine if a certification or waiver by the applicable State Water Quality Agency is required under section 21 of the Federal Water Pollution Control Act (33 U.S.C. 1341(a)).
- Filing the form.** You may email your application with a copy of this form to FELC@atf.gov, fax to 304.616.4402, or submit one copy of this form with the related application or other document to the Director of Industry Operations, Bureau of Alcohol, Tobacco, Firearms, and Explosives.
- Disposition.** After ATF acts on the related application or other document, ATF will notify the applicant of its decision.

Application related to this rider

1. Application date	
2. Applicant's name and principal business address (<i>number, street, city, county, state, and zip code</i>)	3. Plant address (<i>if different from address in item 2</i>)

8. I certify that I have examined this rider and to the best of my knowledge and belief, it is true, correct, and complete, and I understand that ATF may furnish copies of this rider to the applicable State Water Quality Agency and the Regional Administrator, Environmental Protection Agency.	
9. Applicant's printed name (<i>or, if an entity applicant, the entity name</i>)	10. By (<i>signature and title; must be an applicant's responsible person</i>)

Paperwork Reduction Act Notice - This request is in accordance with section 3507, Public Law 96-511, Paperwork Reduction Act of 1995. ATF uses this information collection to determine whether a state or multi-state authority needs to certify the proposed discharge of effluent into U.S. navigable waste. This information is required to obtain a benefit. The estimated average burden associated with this information collection is 20 minutes per respondent or record-keeper, depending on individual circumstances. Direct comments concerning the accuracy of this burden estimate and suggestions for reducing this burden to Reports Management Officer, Information Technology Coordination Staff; Bureau of Alcohol, Tobacco, Firearms, and Explosives; Washington, DC 20226. An agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a currently valid OMB control number.
