$60,000 Reward Offered for Information Leading to Arson Conviction

AURORA, Colo. – Aurora Fire Rescue (AFR) is requesting the community's assistance regarding a fire that occurred in the 7300 block of South Addison Court on December 14, 2023. On that day, AFR responded to the area where new residential buildings were undergoing construction. Evidence later revealed the fire was intentionally set, and the arson destroyed 5 buildings, costing $22 million.

During the investigation, a suspect was discovered in the area where the arson occurred. The investigative team has continued to diligently investigate the case and is now seeking the public's assistance. It is possible you may know or have come in contact with someone who was involved or has direct knowledge of this incident. You are in a unique position to have observed behavioral changes in those individuals before and/or after the time of the incident. You may have noticed one or more of the following changes that were atypical or unexpected: changes in mood, lifestyle patterns, normal routine, such as missing work or school, or appearance; a sudden departure from the area; unreasonable explanations for disposal of clothing, unexplained injuries or burns; displays of anxiety, nervousness, stress, or irritability; changes in consumption of alcohol, drugs, or cigarettes; intense attention or avoidance of the news coverage of this case.

We believe there is information which has yet to be shared, and there are people familiar with the circumstances who remain in our community. For those individuals who have information and have not yet spoken to law enforcement, please contact us, even anonymously. We know in some circumstances, individuals are unknowingly brought into the situation by the person responsible, and they may have concerns about coming forward. You would be in a unique position to help and can be assured of our ability to independently corroborate any information provided. Your assistance will greatly help the community.

Please call 720-913-7867 or visit www.MetroDenverCrimeStoppers.com to share your information. Regardless of how insignificant you may think it is or whether you think we already are aware of it, no detail or piece of information is too small.

The ATF Denver Field Division is supporting Aurora fire Rescue in this ongoing investigation.
