2. Preparation of Application

   a. Authority. As provided by 26 U.S.C. §§ 5812 and 5852, any person seeking to transfer a firearm exempt from payment of tax must complete, in duplicate, a separate application on this form. The transferor must furnish all the information called for on this application form.

   b. The entity identified in item 4 must be the same as the entity identified in item 5. For example, "If item 4 identifies a sole proprietor, item 5 cannot identify a corporation." This also applies for the completion of items 6 and 7.

   c. Signatures. All signatures required on Form 3 must be original in ink on both copies.

   d. Photocopies Or Computer Generated Versions. The ATF Form 3 may be photocopied or a computer-generated version (as long as it is in the same format and contains all required information) may be used. This form may also be downloaded from the ATF Internet website: www.atf.gov.

   e. Serial Numbers. When more than one firearm of the same description is being transferred and the serial numbers are in a consecutive series, the transferor may enter the beginning and ending numbers of the range in item 3g. If more than one firearm of the same description is being transferred, but the serial numbers are non-consecutive, the registrant may note item 3g to “see attached list of xxx serial numbers.” Any attachment must be referenced to ATF Form 3.

   f. Estates. If the firearm is being transferred from an estate, as provided in 27 CFR §§ 478.56 and 479.42, of a Federal firearms licensee who has paid the special (occupational) tax under the NFA, item 2a shall reflect: the executor’s name, title (executor or executrix, administrator, administratrix) of the estate of (name), and the executor’s address. (See the ATF Internet website at www.atf.gov for additional information).

   g. Submission. All requested information must be entered in blue or black ink and must be legible. Send both copies of the ATF Form 3 and attachments to the address located in the upper right hand corner on the face side of the ATF Form 3. The return of the application or sending it to any other address will only delay the processing.

   h. Submission By Facsimile Transmission. ATF Form 3 may be submitted for approval via facsimile transmission (304) 616-4501 provided the transferor filed an affidavit with the NFA Branch in accordance with ATF Industry Circular 89-6.

   i. State Or Local Permit. If a State or local permit or license is required for the transferee prior to acquisition of the firearm, a copy of the permit must be included with the application.

3. Approval of Application. Upon approval of an application, the NFA Branch will return an approved copy to the transferor for delivery with the firearm to the transferee. Since the approval of the application effectuates registration of the firearm to the transferee, the physical transfer of the firearm must be completed immediately; however, the transferor must not transfer the firearm until the application has been approved and received. If the physical transfer of the firearm cannot be completed immediately, the transferor must contact the NFA Branch with the specifics.

4. Withdrawal of Application. The transferor may withdraw an application prior to approval subsequent to a written request.

5. Cancellation of Approved Application. The transferor may cancel an approved application only if the physical transfer of the firearm has not been completed. The transferor must return the approved application with a written request for cancellation, citing the need and that the physical transfer of the firearm did not take place.

6. Disapproval of Application. If the application is disapproved, the NFA Branch will note the reason for disapproval on the application and return one copy of the ATF Form 3 to the transferor.

7. Reasons for Disapproval. 26 U.S.C. § 5812 provides that applications shall be denied if the transfer, receipt, or possession of the firearm would place the transferee in violation of law. If State or local law prohibits the receipt or possession of the firearm being transferred, the application will be disapproved.

8. Status Inquiries and Questions. Information relating to the NFA and other firearms laws is available at the ATF Internet website at www.atf.gov. Any inquiry relating to the status of an application to transfer an NFA firearm or about procedures in general should be directed to the NFA Branch at (304) 616-4500. Please be aware that any dissemination by ATF of information relating to the application to register an NFA firearm must conform with the restrictions in 26 U.S.C. § 6103. The opportunity provided in item 8 to authorize ATF to disclose information is intended to enable ATF to respond to inquiries by the transferee regarding the application. The failure to complete item 8 will be considered a declination of authorization to release the information.

9. Penalties. Any person who violates or fails to comply with any of the requirements of the NFA shall, upon conviction, be fined not more than $10,000 or be imprisoned for not more than 10 years, or both. Any firearm involved in a violation of the NFA shall be subject to seizure and forfeiture. It is unlawful for any person to make or cause the making of a false entry on any application or record required by the NFA knowing such entry to be false.

10. Compliance With The Gun Control Act. All provisions of the GCA must also be complied with, including the recordkeeping requirements for licensees.
