

# HAVE A TIP?

**MOBILE  
USERS**

Do you have information on gun crimes or other violent criminal behavior that you would like to communicate anonymously to ATF? The answer is right at your fingertips with the ATF Tips app by reportit®.

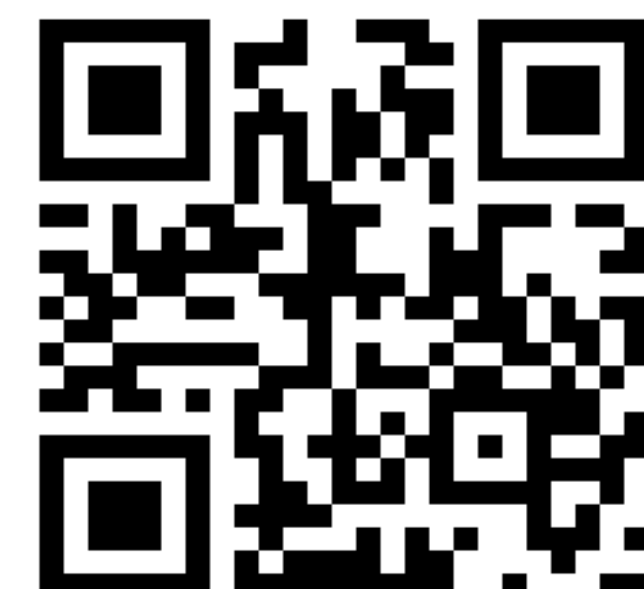

IOS and android users can download the app in the Apple App Store or Google Play.

The app is free and easy to use and can be installed on any mobile device. Or report incidents via the web at [reportit.com](http://reportit.com).

You'll be able to share important information directly with ATF in a way that's simple and anonymous. You can even upload pictures.

In the app, just choose "ATF - Anonymous Tip Line" and your tip will be confidentially sent directly to the ATF Field Division closest to you.
