9d. Additional Remarks, Firearms Markings, Possible Serial Number Combinations, or Other Special Instructions

General Instructions - *Required Data Entry Fields And **Available Options/Codes Listed For Reference

The information requested on this form is needed to initiate a trace request. All fields marked with an asterisk (*) indicate required data entry fields. All areas so marked must be completed in order to effectively and expeditiously execute the trace request. Fields marked with a double asterisk (**) indicate areas of required data entry with available options and codes listed for reference *(refer to lists below to determine the appropriate entry and correct nomenclature)*.

For more efficient and timely submission of firearms trace requests, law enforcement agencies are encouraged to obtain access to ATF's eTrace system. eTrace allows for the electronic exchange of crime gun incident data in a secure web-based environment. The system provides real-time capabilities that allow law enforcement agencies to submit firearms trace requests, monitor the progress of traces, retrieve completed trace results, and query firearm trace related data. For additional informatin regarding eTrace, please contact the National Tracing Center at <u>etraceadmin@atf.gov</u> or call (304) 260-1540.

Paperwork Reduction Act

This request is in accordance with the Paperwork Reduction Act of 1995. The information collection is used by Federal, State, and local law enforcement officials to request that the Bureau of Alcohol, Tobacco, Firearms and Explosives trace firearms used or suspected to have been used in crimes.

The estimated average burden associated with this collection of information is 6 minutes per respondent or recordkeeper, depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be addressed to Reports Management Officer, Resource Management Staff, Contract and Forms Sections, Bureau of Alcohol, Tobacco, Firearms and Explosives, 99 New York Avenue, N.E. Washington, DC 20226.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget control number.

Privacy Act Notice

- 1. Authority: Pub. L. No. 90-618, 82 Stat. 1213 (October 22, 1968); Criminal Investigation Report System, Justice/ATF-003 (82 FR 24147)
- 2. Purpose: ATF collects this information from Federal, State, and local law enforcement officials to request that the ATF trace firearms used or suspected to have been used in crimes.
- 3. Routine uses: A record in this system may be disclosed as a routine use to appropriate Federal, State, local, foreign, or tribal law enforcement authorities for law enforcement purposes.
- 4. Disclosure: Furnishing this information is voluntary. However, failure to furnish this information will prevent Federal, State, and/or local law enforcement officials from initiating a trace request.
